

has prepared a Draft Programmatic EIS for a review of active ingredients that may be approved for use in vegetation treatments on BLM-managed public lands, announces the beginning of the associated public review process, and seeks public input regarding the assessment and disclosure of impacts associated with this action.

Purpose and Need for the Proposed Action

The BLM's purpose and need is to improve the effectiveness of its invasive plant management efforts by allowing the use of EPA-registered active ingredients not currently authorized for use on BLM public lands. Approving additional active ingredients would diversify the BLM's herbicide treatment options and help meet the purposes that were first identified in the 2007 and 2016 Programmatic EISs related to vegetation treatments, which are to make herbicides available for vegetation treatment on public lands and to describe the stipulations that apply to their use.

Preliminary Proposed Action and Alternatives

The BLM proposes to approve several herbicide active ingredients, including aminocyclopyrachlor, clethodim, fluozifop-p-butyl, flumioxazin, imazamox, indaziflam, and oryzalin, for use in vegetation treatments on public lands. These active ingredients are registered by the EPA. In an effort to approve any of these active ingredients, the BLM will adopt and rely on Human Health and Ecological Risk Assessments prepared by the U.S. Forest Service.

Schedule for the Decision-Making Process

The BLM anticipates releasing a Final EIS in August 2023 and anticipates issuing a Record of Decision in September 2023.

Responsible Official

Assistant Director for Resources and Planning.

Nature of Decision To Be Made

Through this process, the BLM will decide whether to approve the herbicide active ingredients identified earlier for use on BLM-managed public lands. This decision will be based on the best available science and current needs for vegetation management. Any authorization to apply any of these active ingredients at a particular site will be made through a separate, site-specific decision and so is not within the scope of the programmatic EIS or

potential decision described in this notice.

Public Comment Process

The BLM will host a virtual public meeting during the public comment period. The date, time, and virtual access information for this meeting is provided on the BLM website at: <https://go.usa.gov/xtk6a>.

The BLM will continue to consult with Indian Tribal Nations and Alaska Native corporations on a government-to-government basis in accordance with Executive Order 13175, BLM MS 1780, and other Departmental policies. Tribal concerns, including impacts on Indian trust assets and potential impacts to cultural resources, will be given due consideration.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

(Authority: 40 CFR 1506.6, 40 CFR 1506.10.)

Brian St. George,

Acting Assistant Director, Resources and Planning.

BILLING CODE 4331-27-P

DEPARTMENT OF THE INTERIOR

National Indian Gaming Commission

Notice of Approved Class III Tribal Gaming Ordinance

AGENCY: National Indian Gaming Commission. Interior Department.

ACTION: Notice.

SUMMARY: The purpose of this notice is to inform the public of the approval of Santa Rosa Band of Cahuilla Indians (Tribe) Class III gaming ordinance by the Chairman of the National Indian Gaming Commission.

DATES: This notice is applicable April 21, 2023.

FOR FURTHER INFORMATION CONTACT: Dena Wynn, Office of General Counsel at the National Indian Gaming Commission, 202-632-7003, or by facsimile at 202-632-7066 (not toll-free numbers).

SUPPLEMENTARY INFORMATION: The Indian Gaming Regulatory Act (IGRA) 25 U.S.C. 2701 *et seq.*, established the

National Indian Gaming Commission (Commission). Section 2710 of IGRA authorizes the Chairman of the Commission to approve Class II and Class III tribal gaming ordinances. Section 2710(d)(2)(B) of IGRA, as implemented by NIGC regulations, 25 CFR 522.8, requires the Chairman to publish, in the **Federal Register**, approved Class III tribal gaming ordinances and the approvals thereof.

IGRA requires all tribal gaming ordinances to contain the same requirements concerning tribes' sole proprietary interest and responsibility for the gaming activity, use of net revenues, annual audits, health and safety, background investigations and licensing of key employees and primary management officials. The Commission, therefore, believes that publication of each ordinance in the **Federal Register** would be redundant and result in unnecessary cost to the Commission.

Thus, the Commission believes that publishing a notice of approved Class III tribal gaming ordinances in the **Federal Register**, is sufficient to meet the requirements of 25 U.S.C. 2710(d)(2)(B). Every ordinance and approval thereof is posted on the Commission's website (www.nigc.gov) under General Counsel, Gaming Ordinances within five (5) business days of approval.

On April 6, 2023, the Chairman of the National Indian Gaming Commission approved the Santa Rosa Band of Cahuilla Indians (Tribe) Class III Gaming Ordinance. A copy of the approval letter is posted with this notice and can be found with the approved ordinance on the NIGC's website (www.nigc.gov) under General Counsel, Gaming Ordinances. A copy of the approved Class III ordinance will also be made available upon request. Requests can be made in writing to the Office of General Counsel, National Indian Gaming Commission, Attn: Dena Wynn, 1849 C Street NW, MS #1621, Washington, DC 20240 or at info@nigc.gov.

National Indian Gaming Commission.

Dated: April 17, 2023.

Rea Cisneros,

Acting General Counsel.

April 6, 2023

VIA EMAIL

Chairwoman Lovina Redner
Santa Rosa Band of Cahuilla Indians
65200 State Highway 74
Mountain Center, CA 92561

Re: Santa Rosa Band of Cahuilla Indians'
Gaming Ordinance
Dear Chairwoman Redner,

This letter responds to the February 16, 2023 submission on behalf of the Santa Rosa Band of Cahuilla Indians (Tribe) informing the National Indian Gaming Commission

(NIGC) that the Tribe adopted a tribal gaming ordinance. Upon review, the ordinance is substantially similar to the NIGC Revised Model Ordinance promulgated in NIGC Bulletin 2018–1 and provides the Tribe with regulation of anticipated gaming activities. Thank you for bringing this ordinance to our attention. The ordinance, as noted above, is approved as it is consistent with the requirements of the Indian Gaming Regulatory Act and NIGC's regulations. If you have any questions or require anything further, please contact Logan Takao Cooper at (503) 318–7524 or Logan.Takao-Cooper@nigc.gov.

Sincerely,

E. Sequoyah Simermeyer, Chairman
cc: Vanessa Minott, Tribal Administrator
Thomas Weathers, Tribal Attorney

BILLING CODE 7565–01–P

DEPARTMENT OF THE INTERIOR

Bureau of Ocean Energy Management

[Docket No. BOEM–2023–0003]

Outer Continental Shelf Official Protraction Diagrams and Official Protraction Aliquot Diagrams

AGENCY: Bureau of Ocean Energy Management, Interior.

ACTION: Notice of availability.

SUMMARY: This notice announces the availability of the new North American Datum of 1983 (NAD83)-based Outer Continental Shelf (OCS) official protraction diagrams (OPDs) and official protraction aliquot diagrams (OPADs) depicting geographic areas in the Gulf of Mexico (GOM). These diagrams may be used for the description of potential renewable energy and mineral lease sales in the geographic areas that the diagrams represent.

ADDRESSES: Copies of the new OPDs and OPADs are available for download in .pdf format from <https://www.boem.gov/gom83-cadastral-data>.

FOR FURTHER INFORMATION CONTACT: Beth Wenstrom, Chief, Geospatial Services Division, Office of Strategic Resources, at (703) 787–1312 or via email at beth.wenstrom@boem.gov.

SUPPLEMENTARY INFORMATION: These diagrams represent BOEM's new OPDs and OPADs for the U.S. OCS seaward of the States of Louisiana and Texas in the NAD83 datum as described by the Submerged Lands Act. (43 U.S.C. 1301, *et seq.*). OPDs and OPADs depict the cadastral subdivisions of the OCS that legally define all leasing areas. The

diagrams depict areal measurements and offshore boundaries and identify Federal and State jurisdiction for individual OCS leasing blocks. These OPDs and OPADs delineate the Submerged Lands Act boundaries and the limit of the “8(g)/8(p) Zone” boundaries, as provided in those sections of the OCS Lands Act 43 U.S.C. 1337(g) and (p). Available diagrams have the latest approval date under the diagram number and may also carry the name of a city, town, or prominent natural feature within them. Further information is provided on the specific OPDs and OPADs.

These new OPDs and OPADs cover the area included in the “Call for Information and Nominations—Commercial Leasing for Wind Power Development on the Outer Continental Shelf in the Gulf of Mexico.” See 86 FR 60283, November 1, 2021, section 3 for a detailed description of the call area. The extent of the published diagram coverage is shown in figure 1.

Figure 1

The new OPDS and OPADs neither supersede nor replace the North American Datum of 1927 OPDs (NAD 27

OPDs), the Texas and Louisiana leasing maps (LMs), nor notices to lessees (NTLs) previously published by BOEM and currently used for oil and gas

leasing (e.g., NTL No. 2009–G29). For purposes of oil and gas leasing, BOEM will continue to use the NAD 27 OPDs and LMs.
