II. Opportunity To Comment**A. General Information**

For thirty (30) days following the date of publication of this notice, the Agency will receive written comments relating to the Settlement. The Agency will consider all comments received and may modify or withdraw its consent to the Settlement if comments received disclose facts or considerations which indicate that the Settlement is inappropriate, improper, or inadequate.

B. Where do I send my comments or view responses?

Your comments should be mailed to Cheryl McIntyre, Superfund & Emergency Management Division (SE-5J), U.S. Environmental Protection Agency, Region 5, 77 West Jackson Boulevard, Chicago, Illinois 60604-3590. Be sure to label the comments with the Docket Number at the top of this notice and/or the property name. The Agency's response to any comments received will be available for public inspection at the Superfund Records Center.

C. What should I consider as I prepare my comments for EPA?

1. *Submitting Confidential Business Information (CBI).* Do not submit ANY information you think or know is CBI to EPA through an agency website or via email. Clearly mark on your written comments all the information that you claim to be CBI. If you mail EPA your comments on a disk or CD-ROM (CD), mark the outside of the CD as CBI and then identify electronically within the CD the specific information that is claimed as CBI. In addition to one complete version of your comments that includes all the information claimed as CBI, you must submit for inclusion in the public docket a second copy of your comments that does not contain the information claimed as CBI. Information marked as CBI will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. *Tips for Preparing Your Comments.* When submitting comments, remember to:

- Identify the subject of your comments by the docket number and the site name in the title of this notice or the **Federal Register** publication date and page number.

- Follow directions—the agency may ask you to respond to specific questions or organize comments by referencing a Code of Federal Regulations (CFR) part or section number.

- Explain why you agree or disagree with the terms of the Settlement; suggest alternatives and substitute language for your requested changes.

- Describe any assumptions and provide any technical information and/or data that you used.

- If you estimate potential costs or burdens, explain how you arrived at your estimate in sufficient detail to allow for it to be reproduced.

- Provide specific examples to illustrate your concerns and suggest alternatives.

- Explain your views as clearly as possible, avoiding the use of profanity or personal threats.

- Make sure to submit your comments by the identified comment period deadline.

Dated: July 11, 2022.

Douglas Ballotti,

Director, Superfund & Emergency Management Division.

Availability of Clean Water Act List Decisions**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice and request for comments.

SUMMARY: This notice announces EPA's addition of certain water quality limited waters to the 2018 New York list of impaired waters, pursuant to the Clean Water Act (CWA), and requests public comment. The CWA and EPA's implementing regulations require States to submit, and EPA to approve or disapprove, lists of waters for which technology-based and other controls are not stringent enough to attain or maintain State water quality standards and for which total maximum daily loads (TMDLs) must be established. States are required to establish a priority ranking for waters on the list and to identify waters targeted for TMDL development over the next two years.

DATES: Comments must be submitted to EPA on or before September 16, 2022.**ADDRESSES:** You may send comments, identified by Docket ID No. EPA-R02-
