SUPPLEMENTARY INFORMATION: The Department of Labor issued a final rule published in the **Federal Register** on December 19, 2016 (81 FR 92026), to modernize the equal employment opportunity regulations that implement the National Apprenticeship Act of 1937. The technical corrections being made, address minor publication errors, and therefore, should be treated as if they had been in the final rule published in the December 19, 2016 **Federal Register** (81 FR 92026).
