To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Extension without change of a currently approved collection; *Title of Information Collection:* Establishment of Exchanges and Qualified Health Plans; Exchange Standards for Employers; *Use:* Section 1321(a) requires HHS to issue regulations setting standards for meeting the requirements under Title I of the Affordable Care Act including the offering of Qualified Health Plans (QHPs) through the Exchanges. On March 27, 2012, HHS published the rule CMS–9989–F: Establishment of Exchanges and Qualified Health Plans;

Exchange Standards for Employers. The Exchange rule contains provisions that mandate reporting and data collections necessary to ensure that health insurance issuers are meeting the requirements of the Affordable Care Act. These information collection requirements are set forth in 45 CFR part 156.

Information collected by the Exchanges or Medicaid and CHIP agencies will be used to determine eligibility for coverage through the Exchange and insurance affordability programs (*i.e.*, Medicaid, CHIP, and advance payment of the premium tax credits); evaluate how CMS can best communicate eligibility and enrollment updates to issuers; and assist consumers in enrolling in a QHP if eligible.

Applicants include anyone who may be eligible for coverage through any of these programs. **Form Number:** CMS–10592 (OMB control number: 0938–1341); **Frequency:** Annually, Monthly, Occasionally; **Affected Public:** Private Sector: Business or other for-profits; **Number of Respondents:** 250; **Total Annual Responses:** 250; **Total Annual Hours:** 131,750. For policy questions regarding this collection contact Anne Pesto at 443–844–9966.

2. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* Medicare Quality of Care Complaint Form; *Use:* Since 1986, Quality Improvement Organizations (QIO) have been responsible for conducting appropriate reviews of written complaints submitted by beneficiaries about the quality of care they have received. In order to receive these written complaints, each QIO has developed its own unique form on which beneficiaries can submit their complaints. CMS has initiated several efforts aimed at increasing the standardization of all QIO activities, and the development of a single, standardized Medicare Quality of Care Complaint Form beneficiaries can use to submit complaints is a key step towards attaining this increased standardization. The Medicare Quality of Care Complaint Form has been revised to improve its content, in order to provide clarity and support to beneficiaries. Section two of the form was updated to replace the Health Insurance Claim Number (HICN) with the current Medicare Beneficiary Identifier (MBI), a randomly generated number that replaced the SSN-based HICN. The information page of the form was revised to provide clear instruction as to how to complete the form and the implication of not providing certain requested information. **Form Number:** CMS–10287 (OMB control number:
