FTZ 147 currently consists of 15 “sites” totaling 3,007 acres in the Reading area. Steel Wire Garment Hangers From the People’s Republic of China: Extension of Time Limit for Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce

DATES: *Effective Date:* January 7, 2011.

FOR FURTHER INFORMATION CONTACT:

Irene Gorelik or Josh Startup, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–6905 or (202) 482–5260 respectively.

Background

On November 9, 2010, the Department of Commerce (“Department”) published the preliminary results of this administrative review. *See Steel Wire Garment Hangers From the People’s Republic of China: Preliminary Results and Preliminary Rescission, in Part, of the First Antidumping Duty Administrative Review*, 75 FR 68758 (November 9, 2010) (“*Preliminary Results*”). The final results are currently due on March 9, 2011.

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“Act”), requires the Department to issue the final results in an administrative review of an antidumping duty order 120 days after the date on which the preliminary results are published. The Department may, however, extend the deadline for completion of the final results of an administrative review by an additional 60 days if it determines it is not practicable to complete the review within the foregoing time period. *See* section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

As we stated in the *Preliminary Results*, the Department requires additional information from certain respondents in this review, thus no deadline was established therein for the submission of case briefs and rebuttal briefs. Following the *Preliminary Results*, the Department also issued a supplemental questionnaire to one of the respondents in this review. Because the Department requires additional time to review the respondent’s supplemental questionnaire response,

review interested parties' case and rebuttal briefs after setting a submission deadline, and conduct the public hearing that was requested by interested parties, we have determined that it is not practicable to complete this review within the 120 days specified under the Act. Therefore, we are extending the time for the completion of the final results of this review by 60 days to May 8, 2011.¹

This notice is published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: January 3, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Frontseating Service Valves From the People's Republic of China: Extension of Time for the Preliminary Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 7, 2011.

FOR FURTHER INFORMATION CONTACT: Laurel LaCivita, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4243.

SUPPLEMENTARY INFORMATION:

Background

On May 28, 2010, the Department of Commerce ("the Department") published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on frontseating service valves for Zhejiang Sanhua Co., Ltd. and Zhejiang DunAn Hetian Metal Co., Ltd. for the period October 22, 2008, through March 31, 2010.¹ Currently, the preliminary results

of review are due no later than December 31, 2010. Because December 31, 2010, falls on a Federal holiday, a non-business day, the deadline for the preliminary results reverts to January 3, 2011, the next business day following the Federal holiday.²

Extension of Time Limit of Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

We determine that completion of the preliminary results of this review within the 245-day period is not practicable because the Department requires additional time to analyze information pertaining to the respondent's sales practices, factors of production, and to issue and review responses to supplemental questionnaires. Therefore, we require additional time to complete these preliminary results. As a result, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the preliminary results of this review by 120 days until April 30, 2011. However, April 30, 2011, falls on a weekend, and it is the Department's long-standing practice to issue a determination on the next business day when the statutory deadline falls on a weekend.³ Accordingly, the deadline for completion of the preliminary results of the review is now no later than May 2, 2011.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: December 30, 2010.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

The Department has conducted an expedited (120-day) sunset review pursuant to 19 CFR
