[Project No. 8315–000]

Eagle Creek Sartell Hydro, LLC; Notice of Authorization for Continued Project Operation

The license for the Sartell Dam Hydroelectric Project No. 8315 was issued for a period ending February 28, 2025.

Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year-to-year an annual license to the then licensee(s) under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 8315 is issued to Eagle Creek Sartell Hydro, LLC for a period effective March 1, 2025, through February 28, 2026, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first.

If issuance of a new license (or other disposition) does not take place on or

before February 28, 2026, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that Eagle Creek Sartell Hydro, LLC is authorized to continue operation of the Sartell Dam Hydroelectric Project under the terms and conditions of the prior license until the issuance of a subsequent license for the project or other disposition under the FPA, whichever comes first.

Dated: March 3, 2025.

White Pine Waterpower, LLC; Notice of Revised Schedule for White Pine Pumped Storage Project

This notice revises the Federal Energy Regulatory Commission's (Commission) schedule for processing White Pine Waterpower, LLC's license application for the White Pine Pumped Storage Project. A prior notice issued on November 15, 2023, identified an anticipated schedule for issuance of draft and final National Environmental Policy Act (NEPA) documents and a final order for the project. After the issuance of that notice, White Pine Waterpower, LLC requested an extension of time to complete its hydrogeologic study with a final study report to be filed by January 31, 2026. Commission staff issued a letter approving the extension of time on February 26, 2025. To account for the additional time needed for White Pine Waterpower, LLC to complete the study and file the study report, the application will be processed according to the following revised schedule.

Notice of Ready for Environmental

Analysis: April 2026

Draft NEPA Document: January 2027

Final NEPA Document: July 23, 2027

In addition, in accordance with title 41 of the Fixing America's Surface Transportation Act, enacted on December 4, 2015, agencies are to publish completion dates for all federal environmental reviews and
