

Frequency of Response: On occasion reporting requirement and recordkeeping requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. sections 154(i) and 309(j).

Total Annual Burden: 264 hours.

Total Annual Cost: \$40,000.

Privacy Act Impact Assessment: N/A.

Nature and Extent of Confidentiality: There is no need for confidentiality.

Needs and Uses: The Commission will submit this expiring information collection to the Office of Management and Budget (OMB) after this comment period to obtain the full three year clearance from them. There is no change in the reporting and/or recordkeeping requirements. The Commission has adjusted the total annual burden by 44 hours and \$6,000 in annual costs which is due to 11 additional respondents. Therefore, the total annual burden has been recalculated and increased to 264 hours.

Section 90.665 requires each Major Trading Area (MTA) licensee in the 896–901/935–940 MHz bands must, three years from the date of license grant, construct and place into operation a sufficient number of base stations to provide coverage to at least one-third of the population of the MTA. Further, each MTA licensee must provide coverage to at least two-thirds of the population of the MTA five years from

the date of license grant. Alternatively, a MTA licensee must demonstrate, through a showing to the Commission five years from the date of license grant, that it is providing substantial service. The MTA licensee must also demonstrate that other substantial service benchmarks will be met.

The information verifying construction requirement will be used by the Commission to determine whether the licensee has met the 900 MHz MTA construction requirements. Information will be submitted on FCC Form 601 (OMB Control No. 3060–0798) electronically.

Federal Communications Commission.
