Abstract of Proposed Collection

The U.S. Passport Renewal Application for Eligible Individuals (Form DS–82) is used by eligible citizens and non-citizen nationals (hereinafter, collectively referred to as “nationals”) of the United States who need to renew their current or recently expired U.S. passport (a travel document attesting to one’s identity and U.S. nationality).

This form has been amended based on a change in Department policy. The Department’s new policy permits passport applicants to select the gender marker on their passport without presenting medical documentation of gender transition. This policy change includes updating forms to add a third gender marker “X” for applicants identifying as non-binary, intersex, and/or gender non-conforming (in addition to the existing “M” and “F” gender markers).

Methodology

Passport Services collects information from U.S. nationals when they complete and submit the DS–82, “U.S. Passport Renewal Application for Eligible Individuals.” Passport applicants can either download the DS–82 from the internet or obtain the form from an Acceptance Facility/Passport Agency. The form must be completed, signed, and submitted by mail or in person at an acceptance facility, passport agency, or U.S. embassy/consulate (if abroad).
