

50.47, Appendix E to 10 CFR part 50, 10 CFR 72.32 and Interim Staff Guidance—16. The review considered the ISFSI and the low likelihood of any credible accident resulting in radiological releases requiring offsite protective measures. These evaluations were supported by the previously documented licensee and staff accident analyses. The staff concludes that: the HNP Emergency Plan provides: (1) An adequate basis for an acceptable state of emergency preparedness; and (2) the Emergency Plan, in conjunction with arrangements made with offsite response agencies, provides reasonable assurance that adequate protective measures can and will be taken in the event of a radiological emergency at the HNP facility.

As discussed in Section 5.0, the Commission has determined that these exemptions will not significantly impact the quality of the human environment. Accordingly, the Commission has determined not to prepare an environmental impact statement for the proposed exemptions.

The NRC has determined that pursuant to 10 CFR 50.12, the exemptions described in the SE are authorized by law, will not endanger life or property or the common defense and security, and are otherwise in the public interest, and special circumstances are present. Therefore, the NRC hereby grants the exemptions listed in the SE, which are effective upon issuance.

I. Introduction

Pursuant to 39 U.S.C. 3642 and 39 CFR 3020.30 *et seq.*, the Postal Service filed a request and associated supporting information to add Parcel Return Service Contract 4 to the competitive product list.¹ The Postal Service asserts that Parcel Return Service Contract 4 is a competitive product "not of general applicability" within the meaning of 39 U.S.C. 3632(b)(3). *Id.* at 1. The Request has been assigned Docket No. MC2013-46.

The Postal Service contemporaneously filed an agreement related to the proposed new product (Agreement). *Id.* Attachment B. The

Agreement has been assigned Docket No. CP2013-60.

Request. In support of its Request, the Postal Service filed six attachments:

- Attachment A—a redacted copy of Governors' Decision No. 11-6;
- Attachment B—a redacted copy of the Agreement;
- Attachment C—a proposed change in the Mail Classification Schedule competitive product list;
- Attachment D—a Statement of Supporting Justification as required by 39 CFR 3020.32;
- Attachment E—a certification of compliance with 39 U.S.C. 3633(a); and
- Attachment F—an application for non-public treatment of materials to maintain redacted portions of the Agreement and supporting documents under seal.

In the Statement of Supporting Justification, Dennis R. Nicoski, Manager, Field Sales Strategy and Contracts, asserts that the service to be provided under the Agreement will cover its attributable costs, make a positive contribution to institutional costs, and increase contribution toward the requisite 5.5 percent of the Postal Service's total institutional costs. *Id.* Attachment D at 1. Thus, Mr. Nicoski contends there will be no issue of subsidization of competitive products by market dominant products as a result of this contract. *Id.*

Related contract. A redacted version of the Agreement is included with the Request. The Agreement will become effective 1 business day following the day that the Commission provides all necessary regulatory approval. *Id.* Attachment B at 2. The Agreement is scheduled to expire 3 years after its effective date but may be terminated earlier by either party with 30 days' written notice. *Id.* The Postal Service represents that the Agreement is consistent with 39 U.S.C. 3633(a). *Id.* Attachment E.

The Postal Service filed much of the supporting materials, including the Agreement, under seal. *Id.* Attachment F. It maintains that the Agreement and related financial information, including the customer's name and the accompanying analyses that provide underlying costs and assumptions, pricing formulas, and information concerning the customer's mailing profile, should remain confidential. *Id.* Attachment F at 3. It also requests that the Commission order that non-public treatment of all customer-identifying information be extended indefinitely, instead of ending after 10 years. *Id.* at 7.
