

Carrollton, Georgia. The application conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.23) was docketed on January 20, 2022. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the FTZ Board's website—accessible via www.trade.gov/ftz.

The OFS Fitel facility (518 employees, 44.49 acres) is located within Site 40 of FTZ 26. The facility is used for the production of optical fiber products. In 2020, OFS Fitel requested production authority in a notification proceeding (15 CFR 400.22 and 400.37). After an initial review, the requested production authority was approved subject to restrictions that included a requirement that optical fiber and optical bundles be admitted to the zone in privileged foreign (PF) status (19 CFR 146.41), precluding inverted tariff benefits on those inputs (see B–59–2020, 85 FR 61719–61720, September 30, 2020). The pending application proposes to remove that restriction—which would allow OFS Fitel to choose the duty rates during customs entry procedures that apply to optical fiber cable (duty-free) and optical fibers/bundles/ribbon (duty rate, 6.7%) for the following foreign-status materials/components (representing an average 27% of the value of the finished product): Drawn optical fiber and drawn optical fiber bundles (duty rate, 6.7%). The request indicates that those materials/components are subject to special duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status.

In accordance with the FTZ Board's regulations, Diane Finver of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is March 28, 2022. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to April 12, 2022.

A copy of the application will be available for public inspection in the "Online FTZ Information Section" section of the FTZ Board's website, which is accessible via www.trade.gov/ftz.

Polyethylene Terephthalate Film, Sheet, and Strip From Taiwan: Final Results of Antidumping Duty Administrative Review; 2019–2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On August 2, 2021, the Department of Commerce (Commerce) published the preliminary results of the administrative review of the antidumping duty order on polyethylene terephthalate film, sheet, and strip (PET film) from Taiwan. The period of review (POR) is July 1, 2019, through June 30, 2020. We received no comments or requests for a hearing. We continue to find that sales of subject merchandise by Nan Ya Plastics Corporation (Nan Ya) were not made at less than normal value during the POR. We also continue to find that Shinkong Materials Technology Corporation (SMTC) had no shipments of subject merchandise during the POR.

DATES: Applicable January 27, 2022.

FOR FURTHER INFORMATION CONTACT: Jacqueline Arrowsmith, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–5255.

SUPPLEMENTARY INFORMATION:

Background

On August 2, 2021, Commerce published the preliminary results for this administrative review.¹ On August 25, 2021, we issued a supplemental questionnaire to Nan Ya.² The

petitioners³ requested an extension of the briefing schedule on August 25, 2021.⁴ On August 27, 2021, we notified parties that we would reset the deadlines to submit case briefs at a later date.⁵ On September 2, 2021, Nan Ya submitted its response to our supplemental questionnaire.⁶ On November 15, 2021, Commerce extended the deadline for these final results to January 28, 2022.⁷ Commerce established the revised deadlines for the briefing schedule on November 23, 2021.⁸ No interested party submitted comments or requested a hearing in this administrative review. Commerce conducted this administrative review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order.⁹

The products covered by the *Order* are all gauges of raw, pretreated, or primed PET film, whether extruded or coextruded. Excluded are metalized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer of more than 0.00001 inches thick. Imports of polyethylene terephthalate film, sheet, and strip are currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item number 3920.62.00.90. HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of the *Order* is dispositive.

Final Determination of No Shipments

Because we received no comments on the *Preliminary Results*, we have made no changes to the preliminary

determination of no shipments. Based on our analysis of U.S. Customs and Border Protection (CBP) information and information provided by SMTC and its affiliate, Shinkong Synthetic Fibers Corporation, we continue to determine that SMTC had no shipments of the subject merchandise during the POR.¹⁰

Final Results of Review

As noted above, Commerce received no comments concerning the *Preliminary Results*. Nan Ya submitted values for U.S. inventory carrying costs, which had been inadvertently omitted in its prior filings.¹¹ We incorporated these corrections into these final results¹² and continue to find that sales of subject merchandise by Nan Ya were not made at less than normal value during the POR. Accordingly, no decision memorandum accompanies this **Federal Register** notice. For further details of the issues addressed in this proceeding, see the *Preliminary Results* and the accompanying Preliminary Decision Memorandum.¹³ The final weighted-average dumping margin for the period July 1, 2019, through June 30, 2020, for Nan Ya is as follows:

Producer/exporter	Weighted-average margin (percent)
Nan Ya Plastics Corporation	0.00

Assessment Rates

Commerce has determined, and CBP shall assess, antidumping duties on all appropriate entries in this review, in accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1). Commerce intends to issue appropriate assessment instructions directly to CBP no earlier than 35 days after the date of publication of the final results of this administrative review. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication). Because we calculated a zero margin in the final results of this review for Nan Ya, in accordance with 19 CFR 351.212, we will instruct CBP to liquidate the

appropriate entries without regard to dumping duties.¹⁴

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Nan Ya will be zero, the rate established in the final results of this review; (2) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this or any previous review or in the original less-than-fair-value (LTFV) investigation but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review or the investigation, the cash-deposit rate will continue to be the all-others rate of 2.40 percent, which is the all-others rate established by Commerce in the LTFV investigation.¹⁵ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure

Commerce will disclose to interested parties the calculations performed in connection with the final results within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties

occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation, which is subject to sanction.

Notification to Interested Parties

We are issuing and publishing these final results of administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

Dated: January 21, 2022.

Assistant Secretary for Enforcement and Compliance.
