#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Phlx has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The purpose of the proposed rule change is to update Phlx Regulation 5, Visitors and Applicants, encated as a rule of order and decorum under Phlx Rule 60. Phlx Regulation 5 orginally applied generally to non-member guests' access to the trading floor.<sup>4</sup> It was amended by the Exchange in 1992 to create an "applicant" status for prospective Exchange members from whom an application for membership had been filed and for whom the personal background check had been completed, but whose membership application process would not be completed until a subsequent posting

period had been completed.<sup>5</sup> That rule filing (File No. SR-Phlx-91-06) stated that, while clearance procedures are being conducted, which normally take about ten business days to complete, the prospective member would remain in a "visitor" status, requiring the signature of a member for entry on the floor and constant accompaniment by a member while on the floor. Once the clearance procedures were completed, the applicant would submit an "Applicant Access Card/Floor Badge Application," and upon issuance of the Applicant Access Card<sup>6</sup> and Floor Badge, the applicant would have unescorted access to the floor and not have to be signed in by a member. According to the Exchange, Phlx Membership Services no longer uses an Applicant Access Card/Floor Badge Application and no longer issues Applicant Access Cards. Instead, applicants for membership who desire access to the trading floor are required to register as on-floor trading personnel pursuant to Phlx Rule 620(b), Trading Floor Registration. Once registered under Phlx Rule 620(b), applicants are issued the same access card issued to members, members' staff and Exchange staff to permit access to the Exchange floor.

Therefore, Phlx proposes to return Regulation 5 to its pre-1992 wording. As such, Phlx Regulation 5 would continue to apply to gests who do not qualify for registration as on-floor trading personnel under Phlx Rule 620(b).

###### 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>7</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>8</sup> in particular, in that it would eliminate outdated language which no longer reflects current procedures at the Exchange regarding access to the trading floor by applicants for membership.

##### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change would impose any inappropriate burden on competition.

<sup>5</sup> See Securities Exchange Act Release No. 30416 (February 26, 1992), 57 FR 7836 (March 4, 1992) (approving File No. SR-Phlx-91-06).

<sup>6</sup> The Applicant Access Card, an electronic proximity card, was an access card designed to permit access to the Exchange floor for a period of 21 days. After that period expried, the applicant's use of the Applicant Access Card would generate an alert to Exchange personnel who would then obtain the return of the Applicant Access Card from the applicant.

<sup>1</sup> 15 U.S.C. 78s(b)(1)

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> Amendment No. 1 replaced the original filing in its entirety. Amendment No. 1 clarified that violations of Regulation 5 would be enforced against members and not the guests themselves, and added a description for the Applicant Access Card.

<sup>4</sup> Violations of Regulation 5 are enforced against members, member organizations, and/or associated persons who permit their guest to have access to the Exchange floor without properly signing them in, accompanying them, and otherwise ensuring their compliance with the rule.
