SUPPLEMENTARY INFORMATION: The National Defense Authorization Act for Fiscal Year 2008, Public Law 110-181, was enacted on January 28, 2008. Section 1105 of Public Law 110-181 amended the Federal Employees' Compensation Act (FECA) creating a new section, 5 U.S.C. 8102a effective upon enactment. This section establishes a FECA death gratuity benefit of up to \$100,000 for eligible beneficiaries of federal employees and Non-Appropriated Fund Instrumentality (NAFI) employees who die from injuries incurred in connection with service with an Armed Force in a contingency operation. 5 U.S.C. § 8102a also permits agencies to authorize retroactive payment of the death gratuity for employees who died on or after October 7, 2001 in service with an Armed Force in the theater of operations of Operation Enduring Freedom and Operation Iraqi Freedom. 5 U.S.C. 8102a also allows federal employees to vary the order of precedence of beneficiaries or to name alternate beneficiaries 20 CFR 10.909, and 10.911 provides that the CA-40, CA-41, and CA-42 are the forms to be used to designate beneficiaries and initiate the payment process for death gratuity benefits. Form CA-40 is an optional form that requests the information necessary from the employee to accomplish this variance and to name alternate beneficiaries only if the employee wishes to do so. Form CA-41 provides the means for those named beneficiaries and possible recipients to file claims for those benefits and requests information from such claimants so that OWCP may determine their eligibility for payment. Further, the statute and regulations require agencies to notify OWCP immediately upon the death of a covered employee. CA-42 provides the means to accomplish this notification and requests information necessary to

administer any claim for benefits resulting from such a death. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on November 5, 2019 (84 FR 59652).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
