

and by the IRS to verify that the correct credit has been claimed.

Current Actions: The order of Part II, Tax Liability Limit, was revised for this form. Section 501 of Public Law 106-170 extended the provision that allows individuals to offset the regular tax liability in full for personal credits. Previously filers were allowed to claim credits to the extent that the regular tax liability exceeded the tentative minimum tax. For tax years beginning in 2000 and 2001, personal nonrefundable credits may offset both the regular tax and the minimum tax. Also, the computation was changed in Part II to reflect and to conform to changes that were made to the tax computation on Form 1040. A new line 10 was added to show the sum of the regular tax before credits and the alternative minimum tax.

Type of Review: Revision of a currently approved collection.

Affected Public: Individual or households, and business or other for-profit organizations.

Estimated Number of Response: 168,137.

Estimated Time Per Respondent: 13 hrs., 45 minutes.

Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.
