14043 of September 9, 2021, *Requiring Coronavirus Disease 2019 Vaccination for Federal Employees and the Safer Federal Workforce Task Force guidance*, is announcing an opportunity for public comment on a full clearance of a previous emergency approval that allowed the Department of Commerce (DOC) to collect information from individuals applying for medical exemption to the COVID-19 Mandatory Vaccinations as specified in the Agency Medical Exemption Form, Part 2. In accordance with the Paperwork Reduction Act of 1995 (PRA), we invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. SUPPLEMENTARY INFORMATION:

I. Abstract

Executive Order (E.O.) 14043, titled, "Requiring Coronavirus Disease 2019 Vaccination for Federal Employees," requires all Federal employees, as defined in 5 U.S.C. 2105, to be vaccinated against COVID-19, with exceptions only as required by law. Requests for "medical accommodation" or "medical exceptions" will be treated as requests for a disability accommodation and evaluated and decided under applicable Rehabilitation Act standards for reasonable accommodation absent undue hardship to the agency. The agency will be

required to keep confidential any medical information provided, subject to the applicable Rehabilitation Act standards. This medical exemption form is necessary for Commerce to determine legal exemptions to the vaccine requirement under the Rehabilitation Act. The Form "Request for a Medical Exception to the COVID-19 Vaccine Requirement" will be completed by employees who seek a medical exception to the Federal employee vaccine mandate, and by their personal medical providers.

To request a medical exemption from the COVID-19 vaccination requirement, an employee must complete Part 1 of the medical exemption form and their medical provider must complete Part 2. The Bureau's Reasonable Accommodation Coordinators would receive this form from the requester and use it to make a recommendation to the supervisor based on the medical information provided in the form.

The request for this collection of information is essential to continue the Department of Commerce's health and safety measures regarding the Federal Employee medical exemptions to the COVID-19 mandatory vaccinations.

II. Method of Collection

The Department of Commerce will collect this information by electronically, when possible, as well as by mail, fax, telephone, technical discussions; and customer experience activities such as feedback surveys, focus groups, user testing, and in-person interviews. Department of Commerce may also utilize observational techniques to collect this information.
