Family members, civilian employees affiliated with the command, and active duty service members may be considered for a waiver. Prospective Ombudsmen may be interviewed by phone, or in person with the commanding officer. The information collection is also necessary to provide Ombudsmen with program information; communicate during natural disasters and crisis; collect program contact numbers and workload data; and maintain records of program training received. Numbers provided from the collection help identify the issues and concern of the families, trends during deployment and identify training which may be beneficial to the command families.

Title of Collection: Native Hawaiian Education and Alaska Native Education Annual Performance Report.

OMB Control Number: 1810–NEW.

Type of Review: New Collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 102.

Total Estimated Number of Annual Burden Hours: 510.

Abstract: This is a request for a new Annual Performance Report (APR) information collection for the Title VI, Part B of the ESEA (Native Hawaiian Education), Title VI, Part C of the ESEA (Alaska Native Education), and Title XI, Section 11006 of the American Rescue Plan Act of 2021. The information shared with the Rural, Insular, and Native Achievement Program (RINAP) division will help ensure Native Hawaiian and Alaska Native Education program grantees make progress toward meeting program goals and objectives. Information collected will also inform the selection and delivery of technical assistance to grantees, allowing RINAP to better monitor the connection between grant administration and intended outcomes. Collection of APR information will also allow RINAP to proactively engage with grantees to identify potential compliance issues ahead of more comprehensive monitoring, decreasing the need for enforcement action and minimizing burden for grantees.
