Title: Emergency and Imminent Community Water Assistance Grants.

Type of Request: Reinstatement, with change, of a previously approved collection for which approval has expired.

OMB Control Number: 0572-0110.

Abstract: This action amends the existing regulation for the Emergency Community Water Assistance Grant (ECWAG) Program to allow grants to be

made before an emergency has actually occurred. The ECWAG program was authorized by the Rural Development Act of 1972. The grants are made to public bodies, nonprofit corporations, and Indian tribes for the purpose of improving rural living standards and for other purposes that create safe and affordable drinking water in rural areas or towns with a population not exceeding 10,000 inhabitants.

These grants can be made to construct or improve drinking water facilities serving the most financially needy communities. This revision is undertaken specifically to respond to requirements of Section 6009 of the Farm Security and Rural Investment Act of 2002 (Pub. L. 107-171). (2002 Farm Bill)
