*General Description of Collection:*

This information collection implements the Secure and Fair Enforcement for Mortgage Licensing Act of 2008 (SAFE Act) requirement that employees of federally-regulated institutions who engage in the business of a mortgage loan originator register with the Nationwide Mortgage Licensing System and Registry and establishes national licensing and registration requirements. It also directs federally-regulated institutions to have written policies and procedures in place to ensure that their employees who perform mortgage loan originations comply with the registration and other SAFE Act requirements. There is no change in the method or substance of the collection. The overall decrease in burden hours is the result of decreases in both the estimated number of FDIC-supervised institutions engaged in mortgage lending as well as the estimated number of mortgage loan originators employed at such institutions.
