To provide a public comment during the virtual meeting, please sign up in advance. Select “yes” during the online registration. The line-up of speakers will be based on your date and time of registration. By selecting “yes”, you agree that these communications, including your name and comment, will be maintained by the Office of National Marine Sanctuaries as part of its administrative record and may be subject to release pursuant to the Freedom of Information Act.

FOR FURTHER INFORMATION CONTACT: Katie Denman, Office of National Marine Sanctuaries, 1305 East West Highway, N/NMS, Silver Spring, Maryland 20910 (Phone: 240-533-0702; Email: Katie.Denman@noaa.gov).

SUPPLEMENTARY INFORMATION: ONMS serves as the trustee for a network of underwater parks encompassing more than 620,000 square miles of marine and Great Lakes waters from Washington State to the Florida Keys, and from Lake Huron to American Samoa. The network includes a system of 14 national marine sanctuaries and Papahānaumokuākea and Rose Atoll marine national monuments. National marine sanctuaries protect our nation’s most vital coastal and marine natural and cultural resources, and through active research, management, and public engagement, sustain healthy environments that are the foundation for thriving communities and stable economies.

One of the many ways ONMS ensures public participation in the designation and management of national marine sanctuaries is through the formation of advisory councils. The Sanctuary System Business Advisory Council (council) has been formed to provide advice and recommendations to the Director regarding the relationship of ONMS with the business community. Additional information on the council can be found at <http://sanctuaries.noaa.gov/management/ac/welcome.html>.

Matters to be discussed: The meeting will include updates from the Office of National Marine Sanctuaries, introductions from the newly appointed members, an overview of Business Advisory Council member roles and responsibilities including the formation of and goals for working groups to address issues related to sustainable recreation and tourism in national marine sanctuaries, and an opportunity for the public to provide written and oral comments. For a complete agenda, including times and topics, please visit <http://sanctuaries.noaa.gov/management/bac/meetings.html>.

Hydrographic Services Review Panel

AGENCY: National Ocean Service, National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Notice of call for nominations for NOAA’s Hydrographic Services Review Panel Federal advisory committee.

SUMMARY: The National Oceanic and Atmospheric Administration is seeking nominations for members to serve on the Hydrographic Services Review Panel with nominations due by April 26, 2021.

DATES: Nominations are sought to keep an active pool of candidates and should be submitted by April 26, 2021, and will be kept to be used for future vacancies. Five vacancies for a four-year term will occur on January 1, 2022. Current members who may be eligible for a second term in 2022 must reapply. HSRP maintains a pool of candidates and advertises once a year to fulfill the HSIA requirements on membership solicitation.

ADDRESSES: Nominations will be accepted by email and should be sent to: Hydroservices.panel@noaa.gov. You will receive a confirmation response.

FOR FURTHER INFORMATION CONTACT: Lynne Mersfelder-Lewis, NOAA HSRP program manager, email

Lynne.Mersfelder@noaa.gov or phone: 240-523-0064.

SUPPLEMENTARY INFORMATION: In accordance with the Hydrographic Service Improvements Act Amendments of 2002, Public Law 107-372, the Administrator of the National Oceanic and Atmospheric Administration (NOAA) is required to solicit nominations for membership once a year for the Hydrographic Services Review Panel (HSRP). The HSRP, a Federal advisory committee, advises the Administrator on matters related to the responsibilities and authorities set forth in section 303 of the Hydrographic Services Improvement Act and such other appropriate matters as the Administrator refers to the Panel for review and advice. Those responsibilities and authorities include, but are not limited to: Acquiring and disseminating hydrographic data and providing hydrographic services, as those terms are defined in the Act; promulgating standards for hydrographic data and services; ensuring comprehensive geographic coverage of hydrographic services; and testing, developing, and operating vessels, equipment, and technologies necessary to ensure safe navigation and maintain operational expertise in hydrographic data acquisition and hydrographic services.

The Act states “the voting members of the Panel shall be individuals who, by reason of knowledge, experience, or training, are especially qualified in one or more of the disciplines and fields relating to hydrographic data and hydrographic services, marine transportation, port administration, vessel pilotage, coastal and fishery management, and other disciplines as determined appropriate by the Administrator.” The NOAA Administrator seeks and encourages individuals with expertise in marine navigation and technology, port administration, marine shipping or other intermodal transportation industries, cartography and geographic information systems, geodesy, physical oceanography, coastal resource management, including coastal preparedness and emergency response, and other related fields. Nominees are requested to submit five items including a cover letter that responds to the five questions below. The entire package should include all five components and be no longer than eight pages. NOAA is an equal opportunity employer.

(1) A cover letter that responds to the five questions listed below and serves as a statement of interest to serve on the

panel. Please see “Short Response Questions” below.

(2) Highlight the nominee’s specific area(s) of expertise relevant to the purpose of the Panel from the list in the **Federal Register** Notice.

(3) A short biography of 300 to 350 words.

(4) A current resume.

(5) The nominee’s full contact information including: Full name, work title, institutional affiliation, mailing address, email(s), phone, and fax.

Short Response Questions for the Cover Letter

(1) List your area(s) of expertise, from the list above.

(2) List the geographic region(s) of the country with which you primarily associate your expertise.

(3) Describe your leadership or professional experiences which you believe will contribute to the effectiveness of the HSRP panel.

(4) Describe your familiarity and experience with NOAA NOS navigation data, products, and services.

(5) Generally describe the breadth and scope of your knowledge of stakeholders, users, or other groups who interact with NOAA and whose views and input you believe you can share with the panel.

Under 33 U.S.C. 883a, *et seq.*, NOAA’s National Ocean Service (NOS) is responsible for providing nautical charts and related information for safe navigation. NOS collects and compiles hydrographic, tidal and current, geodetic, and a variety of other data in order to fulfill this responsibility. The HSRP provides advice on current and emerging oceanographic and marine science technologies relating to operations, research and development; and dissemination of data pertaining to:

- (a) Hydrographic surveying;
- (b) Shoreline surveying;
- (c) Nautical charting;
- (d) Water level measurements;
- (e) Current measurements;
- (f) Geodetic measurements;
- (g) Geospatial measurements;
- (h) Geomagnetic measurements; and
- (i) Other oceanographic/marine related sciences.

The Panel has fifteen voting members appointed by the NOAA Administrator in accordance with 33 U.S.C. 892c. Members are selected on a standardized basis, in accordance with applicable Department of Commerce guidance. The Co-Directors of the Center for Coastal and Ocean Mapping/Joint Hydrographic Center and two other NOAA employees serve as nonvoting members of the Panel. The Director, NOAA Office of Coast Survey, serves as the Designated

Federal Official (DFO) along with two Alternate DFOs.

Voting members are individuals who, by reason of knowledge, experience, or training, are especially qualified in one or more disciplines relating to hydrographic surveying, tides, currents, geodetic and geospatial measurements, marine transportation, port administration, vessel pilotage, coastal or fishery management, and other oceanographic or marine science areas as deemed appropriate by the Administrator. Full-time officers or employees of the United States may not be appointed as a voting member. Any voting member of the Panel who is an applicant for, or beneficiary of (as determined by the Administrator) any assistance under 33 U.S.C. 892c shall disclose to the Panel that relationship, and may not vote on any other matter pertaining to that assistance.

Voting members of the Panel serve a four-year term, except that vacancy appointments are for the remainder of the unexpired term of the vacancy. Members serve at the discretion of the Administrator and are subject to government ethics standards. Any individual appointed to a partial or full term may be reappointed for one additional full term. A voting member may serve until his or her successor has taken office. The Panel selects one voting member to serve as the Chair and another to serve as the Vice Chair. The Vice Chair acts as Chair in the absence or incapacity of the Chair but will not automatically become the Chair if the Chair resigns. Public meetings occur at least twice a year, and at the call of the Chair or upon the request of a majority of the voting members or of the Administrator. Voting members receive compensation at a rate established by the Administrator, not to exceed the maximum daily rate payable under section 5376 of title 5, United States Code, when engaged in performing duties for the Panel during the public meeting. Members are reimbursed for actual and reasonable travel expenses incurred in performing such duties according to the Federal Travel Regulation.

Individuals Selected for Panel Membership

Upon selection and agreement to serve on the HSRP Panel, you become a Special Government Employee (SGE) of the United States Government. 18 U.S.C. 202(a) an SGE(s) is an officer or employee of an agency who is retained, designated, appointed, or employed to perform temporary duties, with or without compensation, not to exceed 130 days during any period of 365 consecutive days, either on a fulltime or intermittent basis. After the selection process is complete, applicants selected to serve on the Panel must complete the following actions before they can be appointed as a Panel member:

(a) Security Clearance (on-line Background Security Check process and fingerprinting conducted through NOAA Workforce Management); and

(b) Confidential Financial Disclosure Report—SGE are required to file a Confidential Financial Disclosure Report to avoid involvement in a real or apparent conflict of interest. You may find information on the Confidential Financial Disclosure Report at: <https://www.oge.gov/Web/oge.nsf/Resources/OGE+Form+450>.
