

stakeholders and changes recommended by staff to the Council's process for nonbank financial company determinations.

Based on its review, the Council has adopted the Supplemental Procedures, which the Council intends to use for determinations in non-emergency situations, to supplement its rule and interpretive guidance regarding nonbank financial company determinations.¹ The Council will continue to work to identify and evaluate additional potential enhancements to its practices and procedures that would promote the Council's commitment to active engagement with companies under consideration for a determination and to transparency to the public.

Patrick Pinschmidt,

Deputy Assistant Secretary for the Financial Stability Oversight Council, Department of the Treasury, Executive Director, Financial Stability Oversight Council.

BILLING CODE 4810-25-P-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Agency Information Collection Activities; Proposed Collection; Public Comment Request

AGENCY: Electronic Government Office, Department of Health and Human Services.

ACTION: Notice.

SUMMARY: In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, Grants.gov (EGOV), Department of Health and Human Services, announces plans to submit an Information Collection Request (ICR), described below, to the Office of Management and Budget (OMB). The ICR is for a 3 year renewal of a previously-approved information collection assigned OMB control number 4040-0007—SF-424 B Assurances for Non-Construction Programs, which expired on June 30, 2014. The ICR also requests categorizing the form as a common form, meaning HHS will only request approval for its own use of the form rather than aggregating the burden estimate across all Federal Agencies as was done for previous actions on this OMB control number. Prior to submitting that ICR to OMB, EGOV seeks comments from the public regarding the burden estimate, below, or any other aspect of the ICR.

DATES: The 60-day Comment Period closed on January 5, 2015. No comments were received. Comments on the ICR must be received on or before March 13, 2015.

ADDRESSES: Submit your comments to *Information.CollectionClearance@hhs.gov* or by calling (202) 690-6162.

FOR FURTHER INFORMATION CONTACT: Information Collection Clearance staff, *Information.CollectionClearance@hhs.gov* or (202) 690-6162.

SUPPLEMENTARY INFORMATION: Form is available upon request.

Information Collection Request Title: SF-424 B Assurances for Non-Construction Programs.

Abstract: SF-424 B Assurances for Non-Construction Programs is used as by the grant applicant when requesting funds for non-construction grant programs.

Need and Proposed Use of the Information: The SF-424 B Assurances for Non-Construction Programs form is used as by the grant applicant when requesting funds for non-construction grant programs. The Federal awarding agencies use information submitted on this form for award determination of the Federal assistance awards programs.

Likely Respondents: Federal grant applicants.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions, to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information, to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information, and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hours)	Total burden hours
	40,000	1	1	40,000
Total	40,000	1	1	40,000

Grants.gov specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information

technology to minimize the information collection burden.

Darius Taylor,

Information Collection Clearance Officer.
