

Serve America. In 2004, the Corporation plans to establish specific nomination guidelines for each of the programs and develop a formal nomination process, which involves voluntary information collection from non-government individuals.

Prior to 2003, AmeriCorps recognized its outstanding members annually through the All-AmeriCorps Awards, which were initiated in 1999 and presented by President Clinton as part of the 5th anniversary celebration of the program. Senior Corps had recognized its outstanding projects and volunteers at its own national conference, and Learn and Serve America recognized exemplary programs and participants through its Leaders School selection and the President's Student Service Awards.
