DELAWARE RIVER BASIN COMMISSION

Notice of Public Hearing and Business Meeting; August 11 and September 9, 2021

Notice is hereby given that the Delaware River Basin Commission will hold a public hearing on Wednesday, August 11, 2021. A business meeting will be held the following month on Thursday, September 9, 2021. Both the hearing and the business meeting are open to the public. Both meetings will be conducted remotely. Details about the remote platform and how to attend will be posted on the Commission's website, www.drbc.gov, no later than July 28, 2021 for the public hearing and no later than August 28, 2021 for the business meeting.

Public Hearing. The Commission will conduct the public hearing remotely on August 11, 2021, commencing at 1:30 p.m. Hearing items will include draft dockets for withdrawals, discharges, and other projects that could have a substantial effect on the basin's water resources.

The list of projects scheduled for hearing, including project descriptions, will be posted on the Commission's website, www.drbc.gov, in a long form of this notice at least ten days before the hearing date.

Written comments on matters scheduled for hearing on August 11, 2021 will be accepted through 5:00 p.m. on August 16, 2021.

The public is advised to check the Commission's website periodically prior to the hearing date, as items scheduled for hearing may be postponed if additional time is needed to complete the Commission's review, and items may be added up to ten days prior to the hearing date. In reviewing docket descriptions, the public is also asked to be aware that the details of projects may change during the Commission's review, which is ongoing.

Public Meeting. The public business meeting on September 9, 2021 will begin at 10:30 a.m. and will include: Adoption of the Minutes of the Commission's February 25, 2021 Special Business meeting and June 9, 2021 Business Meeting; announcements of upcoming meetings and events; a report on hydrologic conditions; reports by the Executive Director and the Commission's General Counsel; and consideration of any items for which a hearing has been completed or is not required.

After all scheduled business has been completed and as time allows, the Business Meeting will be followed by up to one hour of Open Public Comment, an opportunity to address the Commission on any topic concerning management of the Basin's water resources outside the context of a duly noticed, on-the-record public hearing.

There will be no opportunity for additional public comment for the record at the September 9 Business Meeting on items for which a hearing was completed on August 11 or a previous date. Commission consideration on September 9 of items for which the public hearing is closed may result in approval of the item (by docket or resolution) as proposed, approval with changes, denial, or deferral. When the Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may

take additional time to consider the input they have already received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date.
