

reduction, bacterial testing, and infectious disease testing. It is anticipated that the implementation of these blood safety innovations will come with significant costs to blood collection centers, and it remains unclear how or if the blood industry can afford such implementation. Speakers will include a broad range of stakeholders including blood banks, physicians, blood purchasers, and organizations that reimburse for blood and blood products.

The public will have an opportunity to present their views to the Committee during a public comment session scheduled for November 10, 2015. Comments will be limited to five minutes per speaker and must be pertinent to the discussion. Pre-registration is required for participation in the public comment session. Any member of the public who would like to participate in this session is required to contact the Designated Federal Officer at his/her earliest convenience to register for time (limited to 5 minutes); registration must be completed prior to close of business on November 2, 2015. If it is not possible to provide 30 copies of the material to be distributed at the meeting, then individuals are requested to provide a minimum of one (1) copy of the document(s) to be distributed prior to the close of business on November 2, 2015. It is also requested that any member of the public who wishes to provide comments to the Committee utilizing electronic data projection submit the necessary material to the Designated Federal Officer prior to the close of business on November 2, 2015.

Dated: October 16, 2015.

James J. Berger,

Senior Advisor for Blood and Tissue Safety Policy.
