

whether the planned increase is only the result of “objective, external factors” contemplated by Order No. 216. If the increase is based on other terms of the contract that are not “objective, external factors,” *i.e.*, based on Article 9, paragraph 2, of the contract, then it must be subject to the usual requirements of a competitive rate change set forth in 39 CFR 3015.5.

Because the basis for the price change in the Notice is not clear, the Commission reopens Docket No. CP2009–29 to review the proposed price change and give interested persons the opportunity to comment on whether the Postal Service’s proposed rate increase is based on “objective, external factors.” If the change is based on such factors, Commission review may be unnecessary under the terms of Order No. 216. Comments may also address, if appropriate, whether the filings in the captioned docket are consistent with the policies of 39 U.S.C. 3632, 3633, or 3652 and 39 CFR part 3015 and 39 CFR 3020, subpart B. Comments are due no later than January 5, 2010.

The Commission appoints Paul L. Harrington to serve as Public Representative in these dockets.

It is ordered:

1. The Commission reopens Docket No. CP2009–29 for consideration of the issues raised in this order.

2. Pursuant to 39 U.S.C. 505, Paul L. Harrington is appointed to serve as the officer of the Commission (Public Representative) to represent the interests of the general public in these proceedings.

3. Comments by interested persons in this proceeding are due no later than January 5, 2010.

5. The Secretary shall arrange for publication of this Notice in the **Federal Register**.
