SUPPLEMENTARY INFORMATION:

Background

The Department of Agriculture (Department) published a final rule in the **Federal Register** on July 15, 1999 (64 FR 38103), that amended several sections of the Rules of Practice to comply with the PACA Amendments of 1995, and made numerous other changes to enhance customer service.

Need for Correction

As published, the final regulations contain an error that may prove to be misleading and need to be clarified. The 30-day time period for filing a petition to reopen after default is in conflict with

the statute and is being corrected to show a 20-day time period in order to remain consistent with the 20-day time period for filing a petition for reconsideration of an order.
