Initiation of CCR

Pursuant to section 751(b)(1)(A) of the Act and 19 CFR 351.216(d), Commerce conducts a CCR upon receipt of information concerning, or a request from, an interested party for a review of an AD order which shows changed circumstances sufficient to warrant a review of the order. The information submitted by LNSK Greenhouse Agro regarding its claim that it is the successor-in-interest to Greenhouse Agro demonstrates changed circumstances sufficient to warrant such a review.⁵ Therefore, in accordance with section 751(b)(1)(A) of the Act and 19 CFR 351.216(d) and (e), we are initiating a CCR based upon the information contained in LNSK Greenhouse Agro's submission.

In making a successor-in-interest determination, Commerce examines several factors, including, but not limited to, changes in the following: (1) Management; (2) production facilities; (3) supplier relationships; and (4) customer base.⁶ While no single factor or combination of factors necessarily provides a dispositive indication of a successor-in-interest relationship, generally Commerce considers the new company to be the successor to the previous company if the new company's

resulting operation is not materially dissimilar to that of its predecessor.⁷ Thus, if the record evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the predecessor company, Commerce may assign the new company the cash deposit rate of its predecessor.⁸

In its CCR request, LNSK Greenhouse Agro has provided sufficient evidence to warrant a review to determine if LNSK Greenhouse Agro is the successor-in-interest to Greenhouse Agro for purposes of the AD order on shrimp from India. Commerce intends to publish in the **Federal Register** a notice of preliminary results of the CCR, in accordance with 19 CFR 351.221(b)(4) and 351.221(c)(3)(i), which will set forth Commerce's preliminary factual and legal conclusions. Pursuant to 19 CFR 351.221(b)(4)(ii), interested parties will have an opportunity to comment on the preliminary results. Commerce will issue its final results of the review in accordance with the time limits set forth in 19 CFR 351.216(e).

Notification to Interested Parties

We are issuing this notice in accordance with sections 751(b)(1) and 777(i) of the Act and 19 CFR 351.216 and 351.221(b)(1).

Dated: October 1, 2020.

Assistant Secretary for Enforcement and Compliance.

administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. All requests for review of the companies listed in the Appendix to this notice were withdrawn within 90 days of the publication of the *Initiation Notice*.⁴ Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review with respect to the 32 companies listed in the Appendix to this notice.

Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby

requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).
