

A requester can obtain certified and non-certified detailed yearly Social Security earnings information by completing Form SSA-7050, *Request for Social Security Earning Information*. We charge \$92 for each Form SSA-7050 for detailed yearly Social Security earnings information. For an additional \$30, we will certify the detailed earnings information. Detailed earnings information includes the names and addresses of employers. Yearly earnings totals are available in two ways, depending on the requester's need for certification. A requester can continue to obtain non-certified yearly earnings totals (Form SSA-7004, *Request for Social Security Statement*) through our free online service, *my Social Security*, a personal online account for Social Security information and services. Online Social Security Statements display uncertified yearly earnings, free of charge, and do not show any employer information. A requester can obtain certified yearly Social Security earnings totals by completing the Form SSA-7050. The cost for certified yearly earnings totals is \$122 (\$92 plus an additional \$30 for certification).

We will continue to evaluate all standard fees at least every two years to ensure we capture the full costs associated with providing information for non-program-related purposes. We require nonrefundable advance payment by check, money order, or credit card. We do not accept cash. We will only accept one form of payment in the full amount of the standard fee for each request, and will not divide the fee amount between more than one form of payment. If we revise any of the standard fees, we will publish another notice in the **Federal Register**. For other non-program requests for information not addressed here or within the current schedule of standard administrative fees, we will continue to charge fees calculated on a case-by-case basis to recover our full cost of supplying the information.
