

Department published a notice of initiation of administrative review with respect to 153 companies.³ On August 27, 2013, Hong Kong Gree notified the Department that it had no shipments of subject merchandise to the United States during the period of review (POR).⁴ On November 8, 2013, we published a notice of intent to rescind this administrative review with respect to Hong Kong Gree, and invited interested parties to comment.⁵ We received no comments, and have determined that the review of Hong Kong Gree should be rescinded.

Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), the Department may rescind an administrative review, with respect to a particular exporter or producer, if the Secretary concludes that, during the period covered by the review, there were no entries, exports, or sales of the subject merchandise to the United States by that producer. Hong Kong Gree submitted a letter to the Department certifying that it had no shipments of subject merchandise to the United States during the POR. No parties commented on Hong Kong Gree's claim of no shipments.

Previously, on August 2, 2013, we released the results of a U.S. Customs and Border Protection (CBP) data query, which indicated that Hong Kong Gree had no suspended entries of subject merchandise during the POR.⁶ After receipt of Hong Kong Gree's no shipment certification, we sent a "no shipments inquiry" message to CBP, which posted the message on September 20, 2013.⁷ The Department did not receive any information from CBP contrary to Hong Kong Gree's claim of no shipments of subject merchandise to the United States during the POR.

Based on our analysis of all the information on the record, we determine that Hong Kong Gree had no shipments or entries of subject merchandise to the United States during the POR. Therefore, in accordance with 19 CFR 351.213(d)(3), and consistent with our

practice,⁸ we are rescinding the review for Hong Kong Gree. We will continue this administrative review with respect to those companies for which a review was requested and not subsequently withdrawn.⁹

We are issuing this notice in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: January 10, 2014.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

I. Background

The Bureau is charged with regulating “the offering and provision of consumer financial products or services under the Federal consumer financial laws,” so as to ensure that “all consumers have access to markets for consumer financial products and services and that markets for consumer financial products and services are fair, transparent, and competitive.” Pursuant to Section 1021(c) of the Wall Street Reform and Consumer Protection Act, Public Law

111–203 (“Dodd-Frank Act”), the Bureau’s primary functions are:

1. Conducting financial education programs;
2. Collecting, investigating, and responding to consumer complaints;
3. Collecting, researching, monitoring, and publishing information relevant to the function of markets for consumer financial products and services to identify risks to consumers and the proper functioning of such markets;
4. Supervising persons covered under the Dodd-Frank Act for compliance with Federal consumer financial law, and taking appropriate enforcement action to address violations of Federal consumer financial law;
5. Issuing rules, orders, and guidance implementing Federal consumer financial law; and
6. Performing such support activities as may be needed or useful to facilitate the other functions of the Bureau.

As described in more detail below, Section 1014 of the Dodd-Frank Act calls for the Director of the Bureau to establish a Consumer Advisory Board to advise and consult with the Bureau regarding its functions, and to provide information on emerging trends and practices in the consumer financial markets.

III. Qualifications

Pursuant to Section 1014(b) of the Dodd-Frank Act, in appointing members to the Board, “the Director shall seek to assemble experts in consumer protection, financial services, community development, fair lending and civil rights, and consumer financial products or services and representatives of depository institutions that primarily serve underserved communities, and representatives of communities that have been significantly impacted by higher-priced mortgage loans, and seek representation of the interests of covered persons and consumers, without regard to party affiliation.” The determinants of “expertise” shall depend, in part, on the constituency, interests, or industry sector the nominee seeks to represent, and where appropriate, shall include significant experience as a direct service provider to consumers.

Pursuant to Section 5 of the Community Bank Advisory Council Charter, in appointing members to the Advisory Council the Director shall seek to assemble experts in consumer protection, financial services, community development, fair lending and civil rights, and consumer financial products or services and representatives of community banks that primarily serve underserved communities, and

representatives of communities that have been significantly impacted by higher-priced mortgage loans, and shall strive to have diversity in terms of points of view. Only current bank or thrift employees (CEOs, compliance officers, government relations officials, etc.) will be considered for membership. Membership is limited to employees of banks and thrifts with total assets of \$10 billion or less that are not affiliates of depository institutions or credit unions with total assets of more than \$10 billion.

Pursuant to section 5 of the Credit Union Advisory Council Charter, in appointing members to the Advisory Council the Director shall seek to assemble experts in consumer protection, financial services, community development, fair lending and civil rights, and consumer financial products or services and representatives of credit unions that primarily serve underserved communities, and representatives of communities that have been significantly impacted by higher-priced mortgage loans, and shall strive to have diversity in terms of points of view. Membership is limited to employees of credit unions with total assets of \$10 billion or less that are not affiliates of depository institutions or credit unions with total assets of more than \$10 billion.

The Bureau has a special interest in ensuring that women, minority groups, and individuals with disabilities are adequately represented on the Board and Councils, and therefore, encourages applications from qualified candidates from these groups. The Bureau also has a special interest in establishing a Board that is represented by a diversity of viewpoints and constituencies, and therefore encourages applications from qualified candidates who:

1. Represent the United States’ geographic diversity; and
2. Represent the interests of special populations identified in the Dodd-Frank Act, including service members, older Americans, students, and traditionally underserved consumers and communities.

IV. Application Procedures

Any interested person may apply for membership on the Board or Advisory Council.
