The Commission is requesting OMB approval for notice, disclosure and labeling requirements to allow the Commission to implement important disclosure requirements in order to clear the 700 MHz band of wireless microphones and provide them a home in the core TV spectrum, where many wireless microphones are already operating.

First, it is essential for the early clearing mechanism to be available as soon as possible so that public safety and commercial licensees in the 700 MHz band can avoid harmful interference from wireless microphone users still operating in that band. The potential for public harm is particularly apparent in the case of public safety licensees such as police and fire departments. Some public safety licensees are already operating in the 700 MHz band, and more are expected to commence operation soon. Interference from wireless microphones could affect the ability of these officials to communicate during an emergency and therefore could create a serious threat to public health and safety.

Second, the point-of-sale disclosure requirement is also essential for a successful transition of wireless microphones out of the 700 MHz band. The Commission anticipates that many wireless microphone users currently operating in the 700 MHz band will have to purchase or lease new equipment capable of operating in the core TV spectrum. The point-of-sale disclosure requirement will help these consumers make an educated decision as they obtain new microphones, and it will help them operate in the core TV spectrum without causing interference to other services in that spectrum.

Third, a label on 700 MHz band wireless microphones bound for export will help to ensure that these wireless microphones do not continue to be made available for use in the United States, in contravention of our efforts to remove them from the band.

The effective date proposed by the Commission provides for these early

clearing and consumer disclosure measures to commence as early as possible. Due to the limited period of time for which two of the requirements (the early clearing mechanism and the point-of-sale disclosure requirements) will be in effect, and the urgent need to ensure that wireless microphone users transition out of the 700 MHz band, we find there is good cause to obtain emergency OMB approval for these requirements, so that the requirements may take effect as soon as practicable thereafter.

**Re: Notice of Suspension and Initiation
of Debarment Proceedings, File No. EB-
10-IH-0108**

Dear Mr. LaDuron: The Federal Communications Commission ("FCC" or "Commission") has received notice of your guilty plea for conspiracy to commit mail fraud, wire fraud and making false statements in violation of 18 U.S.C. 2, 371, 1341, 1343 and 1001 in connection with your participation in the schools and libraries universal service support mechanism ("E-Rate program").¹ Consequently, pursuant to 47 CFR 54.8, this letter constitutes official notice of your suspension from the E-Rate program. In addition, the Enforcement Bureau ("Bureau") hereby notifies you that we are commencing debarment proceedings against you.²

I. Notice of Suspension

The Commission has established procedures to prevent persons who have "defrauded the government or engaged in similar acts through activities associated with or related to the schools and libraries support mechanism" from receiving the benefits associated with that program.³ On June 29, 2009, you,

¹ Any further reference in this letter to "your conviction" refers to your guilty plea and subsequent conviction of counts one and three for conspiracy to commit mail fraud, wire fraud and making false statements. *United States v. Leonard Douglas LaDuron*, Criminal Docket No. 2:08CR20055-001-KHV, Petition to Enter Plea (D. Kan. filed June 29, 2009 and entered June 30, 2009) ("*Leonard LaDuron Plea*"); *United States v. Leonard Douglas LaDuron*, Criminal Docket No. 2:08CR20055-001-KHV, Judgment (D. Kan. filed and entered Dec. 23, 2009) ("*Leonard LaDuron Judgment*"). See also *United States v. Leonard Douglas LaDuron*, Criminal Docket No. 2:08CR20055-001-KHV, Indictment, 1-10, 11-14 (D. Kan. filed Apr. 24, 2009 and entered Apr. 25, 2009) (Counts 1 and 3) ("*LaDuron Indictment*").

² 47 CFR § 54.8. See also 47 CFR 0.111 (delegating to the Enforcement Bureau authority to resolve universal service suspension and debarment proceedings). The Commission adopted debarment rules for the schools and libraries universal service support mechanism in 2003. See *Schools and Libraries Universal Service Support Mechanism*, Second Report and Order and Further Notice of Proposed Rulemaking, 18 FCC Rcd 9202 (2003) ("*Second Report and Order*") (adopting section 54.521 of the Commission's rules to suspend and debar parties from the E-Rate program). In 2007, the Commission extended the debarment rules to apply to all of the Federal universal service support mechanisms. *Comprehensive Review of the Universal Service Fund Management, Administration, and Oversight; Federal-State Joint Board on Universal Service; Schools and Libraries Universal Service Support Mechanism; Lifeline and Link Up; Changes to the Board of Directors for the National Exchange Carrier Association, Inc.*, Report and Order, 22 FCC Rcd 16372, 16410-12 (2007) (Program Management Order) (renumbering section 54.521 of the universal service debarment rules as section 54.8 and amending subsections (a)(1), (5), (c), (d), (e)(2)(i), (3), (e)(4), and (g)).

³ *Second Report and Order*, 18 FCC Rcd at 9225, ¶ 66. The Commission's debarment rules define a "person" as "[a]ny individual, group of individuals,

Leonard Douglas LaDuron,⁴ pleaded guilty to conspiracy to commit mail fraud, wire fraud, and making false statements in connection with your participation in the E-Rate program.⁵ Specifically, between 1999 and 2003, you held yourself out as an E-Rate consultant and salesperson for the purpose of defrauding the E-Rate Program.⁶ You admitted that you and others devised a scheme to defraud school districts and the E-Rate program by steering contracts to various companies that directly benefited you, your conspirators, and your companies, primarily Elephantine Corporation, Serious ISP, Inc., and Myco Technologies, Inc.⁷ In furtherance of the scheme, you submitted fraudulent and false documents to the Universal Service Administrative Company ("USAC") claiming schools were paid or would pay their co-pay, submitted other materially false and fraudulent documents, and concealed your true identities, ownerships, and relationships from the school districts to induce schools to select your companies as service providers in violation of E-Rate Program rules.⁸ Ultimately, your scheme induced at least ten schools, in seven different states, to award contracts to your companies.⁹

On December 23, 2009, you were sentenced to serve fifty-seven months in federal prison, to be followed by thirty-six months of supervised release for your role in the scheme to defraud the E-Rate program. You were also ordered to pay \$238,609 in restitution for your role in the scheme.¹⁰

Pursuant to section 54.8 of the Commission's rules, your conviction requires the Bureau to suspend you from participating in any activities associated with or related to the schools and libraries support mechanism.¹¹

Such activities include the receipt of funds or discounted services through the schools and libraries support mechanism, or consulting with, assisting, or advising applicants or service providers regarding the schools and libraries support mechanism.¹²

Your suspension becomes effective upon the earlier of your receipt of this letter or publication of notice in the **Federal Register**, pending the Bureau's final debarment determination.¹³ In accordance with the Commission's debarment rules, you may contest this suspension or the scope of this suspension by filing arguments in opposition to the suspension, with any relevant documentation.¹⁴ Your request must be received within 30 days after you receive this letter or after notice is published in the **Federal Register**, whichever comes first.¹⁵ Such requests, however, will not ordinarily be granted.¹⁶ The Bureau may reverse or limit the scope of suspension only upon a finding of extraordinary circumstances.¹⁷ The Bureau will decide any request for reversal or modification of suspension within 90 days of its receipt of such request.¹⁸

II. Initiation of Debarment Proceedings

Your guilty plea and conviction of criminal conduct in connection with the E-Rate program, in addition to serving as a basis for immediate suspension from the program, also serves as a basis for the initiation of debarment proceedings against you. Your conviction falls within the categories of causes for debarment defined in section 54.8(c) of the Commission's rules.¹⁹ Therefore, pursuant to section 54.8 of the Commission's rules, your conviction requires the Bureau to commence debarment proceedings against you.²⁰

²⁰ *See* 47 CFR 54.8(b), (c).

As with your suspension, you may contest debarment or the scope of the proposed debarment by filing arguments and any relevant documentation within 30 calendar days of the earlier of the receipt of this letter or of publication in the **Federal Register**.²¹ Absent extraordinary circumstances, the Bureau will debar you.²² The Bureau will decide any request for reversal or limitation of debarment within 90 days of receipt of such request.²³ If the Bureau decides to debar you, its decision will become effective upon the earlier of your receipt of a debarment notice or publication of the decision in the **Federal Register**.²⁴

If and when your debarment becomes effective, you will be prohibited from participating in activities associated with or related to the schools and libraries support mechanism for three years from the date of debarment.²⁵ The Bureau may, if necessary to protect the public interest, extend the debarment period.²⁶
