

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.¹³ Specifically, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,¹⁴ which requires, among other things, that the rules of an exchange be designed to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Commission believes that Exchange customers should be provided the opportunity to cancel orders that remain on the Phlx limit order book before the Exchange or Phlx specialist cancels the orders for them. The Commission notes that when the Amex facility reopens, non-Phlx Amex options will not longer be traded on the Phlx. Thus, the Commission believes that it is appropriate to allow Exchange customers to decide how they want their orders that remain on the Phlx limit order book handled. Further, because the Exchange will no longer trade non-Phlx Amex options, the Commission believes that it is reasonable for the exchange or Phlx specialist to cancel those remaining orders that are not canceled by the Exchange customer.

The Commission also finds that the Phlx proposal to terminate trading in non-Phlx Amex options upon the Amex's reopening to be consistent with the Act. As noted above, the Phlx listed the non-Phlx Amex options as a temporary measure to help address the emergency situation that arose from Amex's inability to reopen its New York facility following the attacks on, and resulting collapse of, the World Trade Center.¹⁵

The Commission finds good cause for approving the proposed rule change prior to the thirtieth day after the date

of publication of the notice of filing in the **Federal Register**. The Commission believes that it is necessary to approve the proposed rule change on an accelerated basis to further facilitate the Temporary Arrangement.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁶ that the proposed rule changes (SR-Phlx-2001-91) is hereby approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁷

Margaret H. McFarland,

Deputy Secretary.

¹⁵ The Commission notes that this temporary rule does not restrict Phlx's ability to list non-Phlx Amex options at any time. In the Commission's view, the temporary Phlx rule requiring termination of trading of non-Phlx Amex options as of the Termination Time is appropriate in light of the emergency situation that necessitated the temporary listing of these options on the Phlx and, under these circumstances, is consistent with Rule 19c-5 under the Exchange Act. 17 CFR 240.19c-5.
