SUPPLEMENTARY INFORMATION:

Background

CECANF was established to develop a national strategy and recommendations for reducing fatalities resulting from child abuse and neglect.

Agenda

On January 12, 2015 Commission members will meet to discuss their understanding of the issues of defining and counting child abuse and neglect fatalities and recommendations for addressing them, including: (1) What is the scope of child abuse and neglect fatalities? (2) What are the purposes of counting child abuse and neglect fatalities? (3) What data on child abuse and neglect fatalities are currently collected? (4) What are the limitations of our current data collection efforts? (5) What strategies could be implemented to improve the counting of child abuse and neglect fatalities? (6) Do definitions of child abuse and neglect fatalities need to be standardized? Commission members also will begin discussing the work plans of the six Commission subcommittees and the information that they have obtained to date. On Day 2, Commission members will continue the discussion on the work of the subcommittees.

Privately Owned Vehicle (POV) Mileage Reimbursement Rates

AGENCY: Office of Government-Wide Policy (OGP), General Services Administration (GSA).

ACTION: Notice of FTR Bulletin 15–02, Calendar Year (CY) 2015 Privately Owned Vehicle (POV) Mileage Reimbursement Rates and Standard Mileage Rate for Moving Purposes (Relocation Allowances).

SUMMARY: The General Services Administration’s (GSA) annual privately owned vehicle (POV) mileage reimbursement rate reviews have resulted in new CY 2015 rates for the use of privately owned automobiles (POAs), POAs when a Government owned automobile (GOA) is authorized, privately owned motorcycles, and privately owned airplanes for official purposes. Additionally, the POV rate used in conjunction with official relocation will change. FTR Bulletin 15–02 establishes the new CY 2015 POV mileage reimbursement rates for official temporary duty and relocation travel (\$0.575 for POAs, \$0.23 for POAs when a GOA is authorized, \$0.545 for privately owned motorcycles, \$1.29 for privately owned airplanes, and \$0.23 for moving purposes), pursuant to the process discussed below. This notice of subject bulletin is the only notification to agencies of revisions to the POV mileage rates for official travel and relocation other than the changes posted on GSA’s Web site. GSA determines these rates by reviewing the annual standard automobile study contracted for by the Internal Revenue Service (IRS), as well as conducting independent automobile, motorcycle and aircraft studies that evaluate various factors, such as the cost of fuel, the depreciation of the original vehicles costs, maintenance and insurance, and/or by applying consumer price index data.

DATES: Effective: December 30, 2014.

Applicability: This notice applies to travel performed on or after January 1, 2015 through December 31, 2015.

FOR FURTHER INFORMATION CONTACT: For clarification of content, please contact Mr. Cy Greenidge, Office of Government-Wide Policy, Office of Asset and Transportation Management, at 202–219–2349, or by email at travelpolicy@gsa.gov. Please cite Notice of FTR Bulletin 15–02.
