

reconsideration of denied disability benefits. The claimant also has the option of providing the information during a personal interview or through SSA's Internet application. This information assists the State DDS and Administrative Law Judges (ALJ) in preparing for appeals and hearings and in issuing a decision on whether or not

an individual is entitled to or continues to be entitled to disability benefits. SSA requests completion of the SSA-3441 when individuals appeal denial of Social Security Disability Income (SSDI) and SSI benefits following a previous denial. The respondents are applicants for reconsideration of initial denial of disability benefits or reconsideration of

disability cessation and individuals requesting hearings before an ALJ.

Type of Request: Revision of an OMB-approved information collection. SSA will collect this information using both the traditional paper format and electronic formats through SSA information gathering systems and an online Internet collection as follows:

	Number of respondents	Frequency of response	Average burden per response (in minutes)	Estimated annual burden (in hours)
SSA-3441 (Paper Form)	1,079,338	1	30	539,669
Electronic Disability Collection System (EDCS)	16,790	1	30	8,395
I3441 (Internet Form)	16,690	1	60	16,690
Total respondents and burden hours	1,112,818	564,754
