SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–95104; File No. SR–ICEEU–2022–012]

Self-Regulatory Organizations; ICE Clear Europe Limited; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to Part H of the ICE Clear Europe Delivery Procedures

June 14, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on June 9, 2022, ICE Clear Europe Limited (“ICE Clear Europe” or the “Clearing House”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule changes described in Items I, II, and III below, which Items have been prepared primarily by ICE Clear Europe. ICE Clear Europe filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b–4(f)(4)(ii) thereunder,⁴ such that the proposed rule change was immediately effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency's Statement of the Terms of Substance of the Proposed Rule Change

ICE Clear Europe Limited (“ICE Clear Europe” or the “Clearing House”) proposes to amend Part H of its Delivery Procedures (“Delivery Procedures” or “Procedures”) to correct a drafting inconsistency.

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICE Clear Europe included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. ICE Clear Europe has prepared summaries, set forth in sections (A), (B), and (C)

² 17 CFR 240.19b–4.

³ 15 U.S.C. 78s(b)(3)(A).

⁴ 17 CFR 240.19b–4(f)(4)(iii).

below, of the most significant aspects of such statements.

(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

ICE Clear Europe is proposing to amend Part H of the Delivery Procedures, which addresses delivery under the monthly ICE Endex German THE Natural Gas futures contract ("Monthly Contract"), and daily futures contract with respect to the same underlying commodity ("Daily Contract") to correct an inconsistency in the delivery timetable for routine deliveries of Daily Contracts. Currently, the delivery timetable in Section 5.2 provides that for Daily Contracts Exchange for Physicals ("EFPs") and Exchange for Swaps ("EFSs") may be posted up to one hour following the cessation of trading. This is inconsistent with existing Section 2.6, which provides that with respect to Daily Contracts, EFPs and EFSs may be posted up to thirty minutes following the cessation of trading. The proposed amendment would change the delivery timetable to be consistent with Section 2.6, which sets forth the correct deadline.

(b) Statutory Basis

ICE Clear Europe believes that the proposed amendment to the Delivery Procedures is consistent with the requirements of Section 17A of the Act⁵ and the regulations thereunder applicable to it. In particular, Section 17A(b)(3)(F) of the Act⁶ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions, the safeguarding of securities and funds in the custody or control of the clearing agency or for which it is responsible, and the protection of investors and the public interest.

As discussed above, the amendment would modify Part H of the Delivery Procedures in order to correct an inconsistency regarding the deadline for submission of EFPs and EFSs with respect to Daily Contracts. In ICE Clear Europe's view the amendment would thus facilitate the clearing membership process, and related risk management by the Clearing House. The amendments would therefore facilitate the prompt and accurate clearing of cleared contracts and protect investors and the

public interest in the sound operations of the Clearing House, consistent with the requirements of Section 17A(b)(3)(F).⁷ Further, the amendments will not affect the safeguarding of securities and funds in the custody or control of the Clearing House or for which it is responsible, within the meaning Section 17A(b)(3)(F).⁸

The proposed amendment is also consistent with relevant provisions of Rule 17Ad-22.⁹ Rule 17Ad-22(e)(10)¹⁰ provides that, "[e]ach covered clearing agency shall establish, implement, maintain and enforce written policies and procedures reasonable designed to, as applicable [. . .] establish and maintain transparent written standards that state its obligations with respect to the delivery of physical instruments, and establish and maintain operational practices that identify, monitor and manage the risks associated with such physical deliveries." The proposed amendment, which would correct an inconsistency regarding the deadline for submission of EFPs and EFSs with respect to Daily Contracts, would not otherwise change the delivery terms and conditions for the Daily Contracts or otherwise affect the ICE Clear Europe's existing financial resources, risk management, systems and operational arrangements supporting delivery. The amendment thus appropriately clarifies the role and responsibilities of the Clearing House and Clearing Members with respect to physical delivery. As a result, ICE Clear Europe believes the amendment is consistent with the requirements of Rule 17Ad-22(e)(10).¹¹

(B) Clearing Agency's Statement on Burden on Competition

ICE Clear Europe does not believe the proposed amendment would have any impact, or impose any burden, on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed amendment to the Delivery Procedures is intended to correct an inconsistency in the delivery timetable for routine deliveries of Daily Contracts. ICE Clear Europe does not believe that the amendment would adversely affect competition among Clearing Members, materially affect the cost of clearing, adversely affect access to clearing for Clearing Members or their customers, or otherwise adversely affect competition in clearing services. Accordingly, ICE Clear Europe does not believe that the

amendment would impose any impact or burden on competition that is not appropriate in furtherance of the purpose of the Act.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed amendment has not been solicited or received by ICE Clear Europe. ICE Clear Europe will notify the Commission of any comments received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and paragraph (f) of Rule 19b-4¹³ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-95101; File No. SR-ISE-2022-13]

Self-Regulatory Organizations; Nasdaq ISE, LLC; Notice of Filing of Proposed Rule Change To Permit the Listing and Trading of P.M.-Settled Nasdaq-100 Index Options That Expire on Tuesday or Thursday Under Its Nonstandard Expirations Pilot Program

June 14, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 1, 2022, Nasdaq ISE, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared

by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to permit P.M.-settled Nasdaq-100 Index[®] ("NDX") options that expire on Tuesday or Thursday under its Nonstandard Expirations Pilot Program.

The text of the proposed rule change is available on the Exchange's website at <https://listingcenter.nasdaq.com/rulebook/ise/rules>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Supplementary Material .07 of Options 4A, Section 12, which governs its Nonstandard Expirations Pilot Program ("Pilot Program"), to permit P.M.-settled Nasdaq-100 Index ("NDXP") options that expire on Tuesday or Thursday. Under the existing Pilot Program, the Exchange is permitted to list P.M.-settled options on broad-based indexes that expire on: (1) any Monday, Wednesday, or Friday ("Weekly Expirations") and (2) the last trading day of the month ("End of Month Expirations" or "EOMs").³ Today, Cboe Exchange, Inc. ("Cboe") is permitted to list P.M.-settled S & P 500 Index options that expire on Tuesday or Thursday under its Nonstandard Expirations Pilot Program.⁴

³ See Supplementary Material .07 of Options 4A, Section 12.

⁴ See Securities Exchange Act Release No. 94682 (April 12, 2022), 87 FR 22993 (April 18, 2022) (SR-CBOE-2022-005) (Notice of Filing of Amendment No. 1 and Order Granting Accelerated Approval of

Specifically, the proposed rule change amends Supplementary Material .07(a) of Options 4A, Section 12 to add NDXP options (P.M.-settled) that expire on Tuesday or Thursday as permissible Weekly Expirations under the Pilot Program (currently set to expire on November 4, 2022). The Exchange notes that permitting NDXP options with Tuesday and Thursday expirations, as proposed, is in addition to the NDXP options with Monday, Wednesday and Friday expirations that the Exchange may (and does) already list, as they are permissible Weekly Expirations for options on a broad-based index (e.g., NDX) pursuant to Supplementary Material .07(a) of Options 4A, Section 12. The Pilot Program for Weekly Expirations will apply to NDXP options with Tuesday and Thursday expirations in the same manner as it currently applies to P.M.-settled broad-based index options with Monday, Wednesday and Friday expirations. That is, as proposed, Supplementary Material .07(a) of Options 4A, Section 12 provides that the Exchange may open for trading Weekly Expirations on any broad-based index eligible for standard options trading to expire on any Monday, Wednesday, or Friday (other than the third Friday-of-the-month or days that coincide with an EOM expiration). In addition, the Exchange may also open for trading Weekly Expirations on NDX options to expire on any Tuesday or Thursday (other than days that coincide with the third Friday-of-the-month or an EOM expiration).⁵

Monday, Wednesday and Friday weekly expirations are subject to all provisions of Supplementary Material .07(a) of Options 4A, Section 12 as would be the proposed Tuesday and Thursday expirations. Additionally, the Monday, Wednesday and Friday weekly expirations are treated the same as options on the same underlying index that expire on the third Friday of the expiration month as would be the proposed Tuesday and Thursday expirations; provided, however, that Weekly Expirations (including the new Tuesday and Thursday expirations) shall be P.M.-settled and new series in Weekly Expirations may be added up to and including on the expiration date for an expiring Weekly Expiration. The

a Proposed Rule Change, as Modified by Amendment No. 1, To Expand the Nonstandard Expirations Pilot Program To Include P.M.-Settled S&P 500 Index Options That Expire on Tuesday or Thursday).

⁵ In the event that the third Friday of a given month is a holiday and the Exchange is not open for trading, the Exchange would not list both an A.M.-settled NDX option as well as P.M.-settled NDXP.
