On February 16, 2023, Ocean City, New Jersey notified the Coast Guard that it will be conducting a fireworks display from 9:15 to 9:30 p.m. on July 29, 2023. The fireworks are to be launched from a barge in Great Egg Harbor Bay, in the vicinity of Rainbow Channel. In response, on April 24, 2023, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Safety Zone; Delaware Bay, Lower Township, NJ. There, we stated why we issued the NPRM and invited comments on our proposed regulatory action related to this fireworks display. During the comment period that ended May 24, 2023, we received one comment.

##### III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The COTP has determined that potential hazards associated with a barge-based fireworks display will be a safety concern for anyone within 600 feet of the fireworks barge. The purpose of this rule is to ensure the safety of vessels and of persons who might be in the navigable waters in the safety zone before, during, and after a barge-based fireworks display.
