(ii) Is accessible and staffed during posted hours of operation.

(iii) Maintains a permanent visible sign in plain view and posts hours of operation. If the supplier's place of business is located within a building complex, the sign must be visible at the main entrance of the building.

Self insurance may be used to demonstrate compliance with the comprehensive liability insurance as long as CMS or the NSC can verify the policy and its coverage provisions with an independent underwriter. Failure to maintain required insurance at all times beginning with the date of filing will result in denial or revocation of the supplier's billing privileges retroactive to the date the insurance lapsed.

DMEPOS suppliers are responsible for providing the contact information of an individual employed with the underwriter.

(12) Has met the following delivering and beneficiary instruction requirements:

(i) Maintains proof of the delivery in the beneficiary's file.
