

Transition Act included in Public Law 116–94. The CFS–101 has three parts. Part I is an annual budget request for the upcoming fiscal year. Part II includes a summary of planned expenditures by program area for the upcoming fiscal year, the estimated number of individuals or families to be served, and the geographical service area. Part III

includes actual expenditures by program area, numbers of families and individuals served by program area, and the geographic areas served for the last complete fiscal year.

Respondents: States, Territories, and Tribes must complete the CFSP, APSR, and CFS–101. Tribes and Territories are exempted from the monthly caseworker

visits reporting requirement of the CFSP/APSR. There are approximately 180 tribal entities that currently receive IV–B funding. There are 53 States (including Puerto Rico, the District of Columbia, and the Virgin Islands) that must complete the CFSP, APSR, and CFS–101. There are a total of 233 possible respondents.

ANNUAL BURDEN ESTIMATES

Instrument	Total number of respondents	Total number of responses per respondent	Average burden hours per response	Total burden hours	Annual burden hours
APSR	233	3	82	57,318	19,106
CFSP	47	1	123	5,781	1,927
CFS–101, Part I, II, and III	233	3	5	3,495	1,165
Caseworker Visits	53	3	99.33	15,794	5,265

Estimated Total Annual Burden Hours: 27,463.

Authority: Title IV–B, subparts 1 and 2 of the Social Security Act (the Act), and title IV–E, section 477 of the Act; sections 106 and 108 of CAPTA (42 U.S.C. 5106a. and 5106d.); and Public Law 116–94, the Family First Transition Act within section 602, subtitle F, title I, division N of the Further Consolidated Appropriations Act, 2020.

Mary B. Jones,

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for Office of Management and Budget Review; Operation Allies Welcome Afghan Supplement Survey (New Collection)

AGENCY: Office of Refugee Resettlement, Administration for Children and

Families, Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Refugee Resettlement (ORR), Administration for Children and Families (ACF), U.S. Department of Health and Human Services is proposing to collect data for a new Operation Allies Welcome (OAW) Afghan Supplement Survey.

DATES: *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. You can also obtain

copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: Under the Afghanistan Supplemental Appropriations Act, 2022, and Additional Afghanistan Supplemental Appropriations Act, 2022, Congress authorized ORR to provide resettlement assistance and other benefits available to refugees to specific Afghan populations in response to their emergency evacuation and resettlement. The OAW Afghan Supplement Survey is a sample survey of Afghan households entering the United States under OAW, collecting both household- and individual-level information. It will generate nationally representative data on OAW Afghans’ well-being, integration outcomes, and progress towards self-sufficiency. Data collected will help ORR and service providers better understand the impact of services and on-going service needs of OAW Afghan populations.

Respondents: OAW Afghan populations.

ANNUAL BURDEN ESTIMATES

Instrument	Total number of respondents	Total number of responses per respondent	Average burden hours per response	Total/annual burden hours*
OAW Afghan Supplement Survey Contact Update Requests	1,100	1	0.05	55
OAW Afghan Supplement Survey	1,100	1	0.92	1,012

* Survey is one-time and will be completed within the 1st year.

Estimated Total Annual Burden Hours: 1,067.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Agency Information Collection

Activities: Proposed Collection: Public Comment Request; Information Collection Request Title: Health Workforce Connector

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice.

SUMMARY: In compliance with the requirement for public comment on proposed data collection projects of the Paperwork Reduction Act of 1995, HRSA announces plans to submit an Information Collection Request (ICR), described below, to the Office of Management and Budget (OMB). Prior to submitting the ICR to OMB, HRSA seeks comments from the public regarding the burden estimate, below, or any other aspect of the ICR.

DATES: Comments on this ICR should be received no later than July 31, 2023.

ADDRESSES: Submit your comments to paperwork@hrsa.gov or mail the HRSA Information Collection Clearance Officer, Room 14N39, 5600 Fishers Lane, Rockville, Maryland 20857.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, email paperwork@hrsa.gov or call Samantha Miller, the HRSA Information Collection Clearance Officer, at 301–443–3983.

SUPPLEMENTARY INFORMATION: When submitting comments or requesting information, please include the ICR title for reference.

Information Collection Request Title: Health Workforce Connector OMB No. 0906–0031—Revision.

Abstract: The Health Workforce Connector's (HWC) goal is to help connect skilled professionals to communities in need by allowing approved Site Points of Contact (POCs) at National Health Service Corps (NHSC), Nurse Corps Scholarship and Loan Repayment Programs (Nurse Corps), Substance Use Disorder Treatment and Recovery (STAR) Loan Repayment Program, Pediatric Specialty Loan Repayment Program (PS), Nursing Training, and Teaching Health Center Graduate Medical Education (THCGME) sites to post available opportunities and update site profiles. The HWC provides a central platform to connect participants, including but not limited to those in the NHSC, Nurse Corps, STAR, PS, Nursing Training, and THCGME programs with facilities that are approved for performance of their service obligation. The HWC has become a resource that connects any health care professional or student interested in providing primary care services in underserved communities with facilities in need of health care providers. The HWC also allows users to create a profile, search for approved sites, find job and training opportunities, and connect with other clinicians who are similarly interested in working with underserved populations. The HWC is searchable by Site POCs. Individuals can use the HWC's search capability with Google Maps.

The burden estimates below have changed from the estimates of burden provided in the previous notice (60-day notice published on August 12, 2020, vol. 85, No. 156, pp. 48708–09). The estimated burden total is significantly lower in this revised notice because it is based on the estimated total number of new users who will create accounts and publish profiles and does not include many existing program participants and site POCs who already have existing accounts.

Need and Proposed Use of the Information: Information will be collected from users in the following two ways:

(1) **Account Creation:** For job seekers, creating an account is optional. To create an account the user must enter their first name, last name, and email address. Those mandatory fields will be

used to send an automated email allowing the user to validate their login credentials. In addition, for job seekers participating in the programs listed above, their HWC account will be linked to their existing program file in the Bureau of Health Workforce Management Information Systems Solution database and allow an initial import of existing data at the request of the user.

(2) **Profile Completion:** Users may fill out a profile, but this function will be optional and includes fields such as location, discipline, specialty, and languages spoken. The information collected, if published by the user, can be searched by approved Site POCs seeking potential candidates for health care job opportunities at their site. Job seekers also can set their security and privacy settings on their accounts to make their profiles searchable by other end users or private at any time. In addition, all information collected through the HWC will be stored within existing secure the Bureau of Health Workforce Management Information Systems Solution databases and will be used internally for report generation on an as-needed basis.

Likely Respondents: Potential users include individuals searching for a health care job opportunity at a NHSC, Nurse Corps, STAR, PS, Nursing Training, or THCGME approved health care facility and health care facility POCs searching for potential candidates to fill open health care job opportunities at their sites.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose, or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR is summarized in the table below.
