

15 pages in length, although there is no limit to the length of necessary attachments to the comments. If comments are submitted in hard copy form, please ensure that two copies are provided. If you wish to receive confirmation that comments you have submitted by mail were received, please enclose a stamped, self-addressed postcard with the comments. Note that all comments received will be posted without change to <https://www.regulations.gov>, including any personal information provided.

The petition, supporting materials, and all comments received before the close of business on the closing date indicated above will be filed in the docket and will be considered. All comments and supporting materials received after the closing date will also be filed and will be considered to the extent possible.

When the petition is granted or denied, notice of the decision will also be published in the **Federal Register** pursuant to the authority indicated at the end of this notice.

All documents submitted to the docket may be viewed by anyone at the address and times given above. The documents may also be viewed on the Internet at <https://www.regulations.gov> by following the online instructions for accessing the dockets. The docket ID number for this petition is shown in the heading of this notice.

DOT's complete Privacy Act Statement is available for review in a **Federal Register** notice published on April 11, 2000, (65 FR 19477–78).

SUPPLEMENTARY INFORMATION:

I. Overview: Pursuant to 49 U.S.C. 30118(d) and 30120(h) and their implementing regulations at 49 CFR part 556, MBUSA submitted a petition for an exemption from the notification and remedy requirements of 49 U.S.C. Chapter 301 on the basis that this noncompliance is inconsequential as it relates to motor vehicle safety.

This notice of receipt of MBUSA's petition is published under 49 U.S.C. 30118 and 30120 and does not represent any agency decision or other exercise of judgement concerning the merits of the petition.

II. Vehicles Involved: Affected are 2,917 of the following MY 2016 Mercedes-Benz GL-Class multipurpose passenger vehicles manufactured between December 1, 2015, and February 5, 2016:

- GL 350 Bluetec 4Matic SUV (155 vehicles).
- GL 450 4Matic SUV (2,482 vehicles).
- GL 550 4Matic SUV (280 vehicles).

III. Noncompliance: MBUSA explains that the noncompliance is due to a labeling error. The subject vehicles are equipped with a spare tire, size T155/80 R19 114M; however, the tire information placard affixed to the vehicles' B-pillar incorrectly identifies the spare tire size as T165/90 R19 119M. The placard therefore does not comply with requirements specified in paragraph S4.3(d) of FMVSS No. 110.

IV. Rule Text: Paragraph S4.3 of FMVSS No. 110 states, in pertinent part:

S4.3 *Placard.* Each vehicle, except for a trailer or incomplete vehicle shall show the information specified in S4.3 (a) through (g), and may show, at the manufacturer's option, the information specified in S4.3 (h) through (i), on a placard permanently affixed to the driver's side B-pillar. In each vehicle without a driver's side B-pillar and two doors on the driver's side of the vehicle opening in the opposite

Transportation Equity Act: A Legacy for Users, August 10, 2005, and re-established under Section 6007 of Public Law 114–94, Fixing America’s Surface Transportation (FAST) Act, December 4, 2015, was created to advise the Secretary of Transportation on all matters relating to the study, development, and implementation of intelligent transportation systems. Through its sponsor, the ITS Joint Program Office (JPO), the ITSPAC makes recommendations to the Secretary regarding ITS Program needs, objectives, plans, approaches, content, and progress.

The following is a summary of the meeting tentative agenda: (1) Welcome, (2) Discussion of Potential Advice Memorandum Topics, (3) Summary and Adjourn.

The meeting will be open to the public, but limited space will be available on a first-come, first-served basis. Members of the public who wish to present oral statements at the meeting must submit a request to ITSPAC@dot.gov, not later than November 28, 2016.

Questions about the agenda or written comments may be submitted by U.S. Mail to: U.S. Department of Transportation, Office of the Assistant Secretary for Research and Technology, ITS Joint Program Office, Attention: Stephen Glasscock, 1200 New Jersey Avenue SE., HOIT, Washington, DC 20590 or faxed to (202) 493–2027. The ITS JPO requests that written comments be submitted not later than November 28, 2016.

Notice of this conference is provided in accordance with the Federal Advisory Committee Act and the General Services Administration regulations (41 CFR part 102–3) covering management of Federal advisory committees.

Issued in Washington, DC, on the 8th day of November 2016.

Stephen Glasscock,

Designated Federal Officer, ITS Joint Program Office.
