SUPPLEMENTARY INFORMATION:

Title: Pre-filing Agreement Program.
OMB Number: 1545-1684.

Regulation Project Number: Revenue Procedure 2009-14.

Abstract: This revenue procedure permits a taxpayer under the jurisdiction of the Large Business and International Division (LB&I) to request that the Service examine specific issues relating to tax returns before those returns are filed. This revenue procedure provides the framework within which a taxpayer and the Service may work together in a cooperative environment to resolve, after examination, issues accepted into the program. If the taxpayer and the Service are able to resolve the examined issues before the returns that they affect are filed, this revenue procedure authorizes the taxpayer and the Service to memorialize their agreement by executing an LB&I Pre-Filing Agreement (PFA).
