

Abstract of Proposed Collection

Pursuant to Part 122 of the International Traffic in Arms Regulation (ITAR), and section 38 of the Arms Export Control Act, 22 U.S.C. 2778, any person who engages in the United States in the business of manufacturing or exporting or temporarily importing defense articles, or furnishing defense services, is required to register with the Department of State, Directorate of Defense Trade Controls (DDTC). Pursuant to Part 129 of the ITAR, any U.S. person wherever located, and any foreign person located in the United States or otherwise subject to the jurisdiction of the United States, who engages in the business of brokering activities, is required to register with DDTC. DDTC uses the information provided by registrants to meet the mandates described in Part 122 and Part 129 of the ITAR. As appropriate, such information may be shared with other U.S. Government entities. This information is currently used in the review and action on registration requests and to ensure compliance with defense trade laws and regulations.

Methodology

Statement of Registration submissions are made via a completed DS-2032 which may be accessed from DDTC's website and submitted electronically.

Michael J. Vaccaro,

Deputy Assistant Secretary, Defense Trade Controls, U.S. Department of State.

DEPARTMENT OF TRANSPORTATION**Maritime Administration**

[Docket No. MARAD–2025–0096]

Deepwater Port License Application: ST LNG Deepwater Port Development Project

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Notice of intent; notice of public meeting; request for comments.

SUMMARY: The U.S. Coast Guard (USCG), in coordination with the Maritime Administration (MARAD), will prepare an environmental impact statement (EIS) as part of the environmental review of the ST LNG, LLC (ST LNG or Applicant) deepwater port license application. The application proposes the ownership, construction, operation, and eventual decommissioning of an offshore natural gas export deepwater port, known as the ST LNG Deepwater Port Development Project, which would be in Federal waters approximately 10.4 nautical miles (19.2 kilometers) offshore Matagorda, Texas in water depths of approximately 65 to 75 feet (20 to 22 meters). The deepwater port would

allow for the loading of liquefied natural gas (LNG) trading carriers.

This Notice of Intent (NOI) requests public participation in the scoping process, provides information on how to participate, and announces an informational open house and public meeting. Pursuant to the criteria provided in the Deepwater Port Act of 1974 (DWPA), as amended, Texas is the designated Adjacent Coastal State (ACS) for this application.

DATES: Comments must be received on or before August 14, 2025. MARAD and USCG will hold one in-person public meeting in connection with scoping for the ST LNG Deepwater Port Development Project.

The public meeting will be held on Thursday, July 31, 2025, at Bay City Civic Center, 201 7th Street, Bay City, Texas 77414, from 6:00 p.m. to 8:00 p.m. Central Daylight Time (CDT). The public meeting will be preceded by an open house from 5:00 p.m. to 6:00 p.m. CDT. The public meeting may end later than the stated time, depending on the number of persons who wish to make a comment on the record.

Additionally, materials submitted in response to this request for comments on the ST LNG Deepwater Port Development Project license application must be submitted to the www.regulations.gov website or the Federal Docket Management Facility as detailed in the **ADDRESSES** section below by the close of the comment period.

ADDRESSES: You may submit comments identified by DOT Docket Number MARAD–2025–0096 by any one of the following methods:

- **Federal eRulemaking Portal:** Go to <http://www.regulations.gov>. Search MARAD–2025–0096 and follow the instructions for submitting comments.

- **Mail or Hand Delivery:** The Docket Management Facility is located at the U.S. Department of Transportation, 1200 New Jersey Avenue SE, West Building, Room W12–140, Washington, DC 20590. Documents may be delivered between 9:00 a.m. and 5:00 p.m., Monday through Friday, except on Federal holidays.

Note: If you mail or hand-deliver your comments, we recommend that you include your name and a mailing address, an email address, and/or a telephone number in a cover page so that we can contact you if we have questions regarding your submission.

Instructions: All submissions received must include the agency name and specific docket number. All comments received will be posted without change to the docket at www.regulations.gov, including any personal information provided.
