

21.06, the Commission may issue special calls for information from futures commission merchants ("FCMs"), clearing members, members of reporting markets, introducing brokers ("IBs"), foreign brokers, domestic and foreign traders, and reporting markets. This rule is designed to assist the Commission in prevention of market manipulation and is promulgated pursuant to the Commission's rulemaking authority contained in section 8a of the Commodity Exchange Act, 7 U.S.C. 12a.

With respect to the collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

All comments must be submitted in English, or if not, accompanied by an English translation. Comments will be posted as received to <https://www.cftc.gov>. You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission's regulations.²

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <https://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the Information Collection Request will be retained in the public comment file and will be considered as required under the Administrative Procedure Act and other applicable

laws, and may be accessible under the Freedom of Information Act.

DEPARTMENT OF DEFENSE

Office of the Secretary

[Docket ID: DoD-2025-OS-0046]

Proposed Collection; Comment Request

AGENCY: Office of the General Counsel (OGC), Department of Defense (DoD).

ACTION: 60-Day information collection notice.

SUMMARY: In compliance with the *Paperwork Reduction Act of 1995*, the OGC announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by September 2, 2025.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

Mail: Department of Defense, Office of the Assistant to the Secretary of Defense for Privacy, Civil Liberties, and Transparency Regulatory Directorate, 4800 Mark Center Drive, Mailbox #24, Suite 05F16, Alexandria, VA 22350-1700.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Standards of Conduct Office, Office of the General Counsel, Department of Defense, 1600 Defense Pentagon, Washington, DC 20301-1600, Mr. Jeff Green, or call 703-695-3422.

SUPPLEMENTARY INFORMATION:

Title; *Associated Form;* and **OMB Number:** Post Government Employment Advice Opinion Request; DD Form 2945; OMB Control Number 0704-0467.

Needs and Uses: The information collection requirement is necessary to obtain information about post Government employment of select former and departing DoD employees who are seeking to work for Defense Contractors within two years after leaving DoD. The departing or former DoD employees use the form to organize and provide employment-related information to an ethics official who uses the information to render an advisory opinion to the employee requesting the opinion. The National Defense Authorization Act for Fiscal Year 2008, Public Law 110-181, section 847, requires that select DoD officials and former DoD officials who, within two years after leaving DoD, expect to receive compensation from a DoD Contractor, shall, before accepting such compensation, request a written opinion regarding the applicability of post-employment restrictions to activities that the official or former official may undertake on behalf of a contractor.

Affected Public: Individuals or households.

BILLING CODE 5001–06–P

DEPARTMENT OF DEFENSE

Department of the Army, Corps of Engineers

Withdrawal of Notice of Intent (NOI) To Prepare a Draft Environmental Impact Statement for the Jackson Township 900 Project in Sacramento County, California

AGENCY: Corps of Engineers, Department of the Army, DoD.

ACTION: Notice of Intent; withdrawal.

SUMMARY: The U.S. Army Corps of Engineers, Sacramento District (Corps)

is issuing this notice to advise Federal, State and local governmental agencies and the public that the Corps is withdrawing the Notice of Intent (NOI) to prepare an Environmental Impact Statement (EIS) for the Jackson Township 900 Project in Sacramento County, California, which was published in the **Federal Register** on October 14, 2011.

DATES: The notice of intent to prepare an EIS published in the **Federal Register** on October 14, 2011 (76 FR 63911), is withdrawn as of July 3, 2025.

ADDRESSES: U.S. Army Corps of Engineers, Sacramento District, 1325 J Street, Suite 860, Sacramento, California 95814.

FOR FURTHER INFORMATION CONTACT:

Questions concerning this notice should be directed to Regulatory Permit Specialist, Leah M. Fisher at (916) 557–6639 or Leah.M.Fisher@usace.army.mil.

Please refer to identification number SPK–2004–00791.

SUPPLEMENTARY INFORMATION: An NOI to prepare an EIS for the Jackson Township 900 Project was published in the **Federal Register** on October 14, 2011 (76 FR 63911). The proposed project requires Department of the Army (Corps) authorization under Section 404 of the Clean Water Act. Since publication of the NOI, the U.S. Fish and Wildlife published a Final EIS for the South Sacramento Habitat Conservation Plan (SSHCP) in the **Federal Register** on May 15, 2018 (83 FR 22510), for which the Corps was a cooperating agency. Utilizing the Final SSHCP EIS, the Corps developed a Permit Strategy for activities in waters of the United States covered by the SSHCP, including the approval of an in-lieu fee program to meet compensatory mitigation requirements. The proposed project falls within the SSHCP plan area and was incorporated into the Final EIS for the SSHCP. These actions demonstrate that the proposed project is most likely suited for the Corps' SSHCP Letter of Permission procedure for activities with more than minimal but less than significant effects on the human environment. Therefore, the Corps is terminating the EIS process, in accordance with 33 CFR part 230, Appendix C(2) and 33 CFR part 325, Appendix B(8)(g).
