Petition for Administrative Reconsideration of Action—21 CFR 10.33 (OMB Control Number 0910-0192)—Extension

The regulations in 21 CFR 10.33, issued under section 701(a) of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 371(a)), set forth the format and procedures by which an interested person may petition the Commissioner of Food and Drugs (the Commissioner) for reconsideration of an agency action. A petition for reconsideration must contain a full statement in a well-organized format of the factual and legal

grounds upon which the petition relies. The grounds must demonstrate that relevant information and views contained in the administrative record were not previously or adequately considered by the Commissioner. Each petition must be submitted no later than 30 days after the decision involved. The Commissioner may, for good cause, permit a petition to be filed after 30 days. An interested person who wishes to rely on information or views not included in the administrative record shall submit them with a new petition to modify the decision. FDA uses the information provided to determine whether to grant the petition for reconsideration. Respondents to this collection of information are individuals of households, State or local governments, not-for-profit institutions, and businesses or other for-profit institutions.

In the **Federal Register** of September 25, 2000 (65 FR 57615), the agency requested comments on the proposed collections of information. No significant comments were received.

FDA estimates the burden of this collection of information as follows:

TABLE 1.—ESTIMATED ANNUAL REPORTING BURDEN¹

|----------------|--------------------|-------------------------------|------------------------|--------------------|-------------|
| 10.33(b) | 12 | 1 | 12 | 10 | 120 |

¹ There are no capital costs or operating and maintenance costs associated with this collection of information.

The burden estimate for this collection of information is based on agency records and experience over the past 3 years. Agency personnel handling the petitions for administrative reconsideration of an action estimate approximately 12 requests being received by the agency annually, each requiring an average of 10 hours preparation time.

Dated: December 27, 2000.

Associate Commissioner for Policy.
