

training curricula, document the integrity of training delivery formats, and assess the effectiveness of the various training delivery formats. Analyses will assist CMHS in documenting the numbers and types of traditional and non-traditional mental health providers accessing training; the content, nature and types of training participants receive; and the extent to which trainees experience knowledge, skill and attitude gains/changes as a

result of training attendance. The multi-site data collection design uses a two-tiered data collection and analytic strategy to collect information on (1) the organization and delivery of training, and (2) the impact of training on participants' knowledge, skills and abilities.

Information about the organization and delivery of training will be collected from trainers and staff who are funded by these cooperative

agreements/contracts, hence there is no respondent burden. All training participants will be asked to complete a brief feedback form at the end of the training session. CMHS anticipates funding 10 education sites for the Mental Health Care Provider Education in HIV/AIDS Program. The annual burden estimates for this activity are shown below:

Form	Responses per respondent	Estimated number of respondents (× 10 sites)	Hours per response	Total hours
Session Report Form	1	60 × 10 = 600	0.080	48
Participant Feedback Form (General Education)	1	500 × 10 = 5000	0.167	835
Neuropsychiatric Participant Feedback Form	1	160 × 10 = 1600	0.167	267
Non Physician Neuropsychiatric Participant Feedback Form	1	240 × 10 = 2400	0.167	401
Adherence Participant Feedback Form	1	100 × 10 = 1000	0.167	167
Ethics Participant Feedback Form	1	200 × 10 = 2000	0.167	125
Total		12,600		1,843

Written comments and recommendations concerning the proposed information collection should be sent by November 29, 2007 to: SAMHSA Desk Officer, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503; due to potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, respondents are encouraged to submit comments by fax to: 202-395-6974.
