INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-1354]

Certain Universal Golf Club Shaft and Golf Club Head Connection Adaptors, Certain Components Thereof, and Products Containing the Same (II); Notice of a Commission Determination Not To Review an Initial Determination Finding All Respondents in Default; Request for Written Submissions on Remedy, the Public Interest, and Bonding

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission ("Commission") has determined not to review an initial determination ("ID") (Order No. 7) of the presiding administrative law judge ("ALJ"), finding all respondents in default. The Commission requests written submissions from the parties, interested government agencies, and other interested persons on the issues of remedy, the public interest, and bonding, under the schedule set forth below.

FOR FURTHER INFORMATION CONTACT: Ronald A. Traud, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-3427. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: On March 8, 2023, the Commission instituted this investigation based on a complaint filed by Club-Conex LLC of Scottsdale, Arizona ("Club-Conex"). 86 FR 14393 (Mar. 8, 2023). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, due to the importation into the United States, sale for importation, or sale in the United States after importation of certain universal golf club shaft and golf club head connection adaptors, certain components thereof, and products containing the same by

reason of infringement of certain claims of U.S. Patent No. 11,426,638. *Id.* The complaint also alleged the existence of a domestic industry. *Id.* The notice of investigation named as respondents Top Golf Equipment Co. Limited, d/b/a All-Fit Golf of Shenzhen, China; Volf Sports Co. LTD of Shenzhen, China; and WoFu(Shenzhen)Sports Goods Co., Ltd. of Shenzhen, China (collectively, "Respondents"). *Id.* The Office of Unfair Import Investigations was not named as a party. *Id.*

On April 6, 2023, Club-Conex moved for an order directing Respondents to show cause as to why they should not be found in default for failing to respond to the complaint and notice of investigation. Complainant stated in its motion that it does not seek a general exclusion order. Mot. at 6 n.5. No response to the motion was filed.

On April 25, 2023, the ALJ issued Order No. 6, finding that Respondents were served with the complaint and notice of investigation, yet did not file responses thereto or otherwise participate in this investigation; and directing Respondents to show cause, no later than March 29, 2023, as to why they should not be found in default. No response to the show cause order was filed.

On May 4, 2023, Club-Conex submitted exhibits demonstrating proof of service of Order No. 6 on Respondents.

On May 17, 2023, the ALJ issued Order No. 7, the subject ID, finding that Respondents have not responded to the order to show cause (Order No. 6), and therefore are in default pursuant to 19 CFR 210.16. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID. All respondents are hereby found to be in default.

In connection with the final disposition of this investigation, the statute authorizes issuance of, *inter alia*, (1) an exclusion order that could result in the exclusion of the subject articles from entry into the United States; and/or (2) cease and desist orders that could result in the respondent being required to cease and desist from engaging in unfair acts in the importation and sale of such articles. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely

affecting it or likely to do so. For background, see *Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843, Comm'n Op. at 7-10 (Dec. 1994).

The statute requires the Commission to consider the effects of that remedy upon the public interest. The public interest factors the Commission will consider include the effect that an exclusion order and cease and desist orders would have on: (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the U.S. Trade Representative, as delegated by the President, has 60 days to approve, disapprove, or take no action on the Commission's determination. See Presidential Memorandum of July 21, 2005, 70 FR 43251 (July 26, 2005). During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed if a remedy is ordered.

Written Submissions: Parties to the investigation, interested government agencies, and any other interested parties are encouraged to file written submissions on the issues of remedy, the public interest, and bonding.

In its initial submission, Complainant is also requested to identify the remedy sought and to submit proposed remedial orders for the Commission's consideration. Complainant is further requested to provide the HTSUS subheadings under which the accused products are imported, and to supply the identification information for all known importers of the products at issue in this investigation. The initial written submissions and proposed remedial orders must be filed no later than close of business on July 27, 2023. Reply submissions must be filed no later than the close of business on August 3, 2023. No further submissions on these issues will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document electronically on or before the deadlines

stated above. The Commission's paper filing requirements in 19 CFR 210.4(f) are currently waived. 85 FR 15798 (March 19, 2020). Submissions should refer to the investigation number (Inv. No. 337-TA-1354) in a prominent place on the cover page and/or the first page. (See Handbook for Electronic Filing Procedures, https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf). Persons with questions regarding filing should contact the Secretary, (202) 205-2000.

Any person desiring to submit a document to the Commission in confidence must request confidential treatment by marking each document with a header indicating that the document contains confidential information. This marking will be deemed to satisfy the request procedure set forth in Rules 201.6(b) and 210.5(e)(2) (19 CFR 201.6(b) & 210.5(e)(2)). Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. Any non-party wishing to submit comments containing confidential information must serve those comments on the parties to the investigation pursuant to the applicable Administrative Protective Order. A redacted non-confidential version of the document must also be filed with the Commission and served on any parties to the investigation within two business days of any confidential filing. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this investigation may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements. All nonconfidential written submissions will be available for public inspection on EDIS.

While temporary remote operating procedures are in place in response to COVID-19, the Office of the Secretary is not able to serve parties that have not retained counsel or otherwise provided a point of contact for electronic service. Accordingly, pursuant to Commission Rules 201.16(a) and 210.7(a)(1) (19 CFR 201.16(a), 210.7(a)(1)), the Commission orders that the Complainant(s) complete

service for any party/parties without a method of electronic service noted on the attached Certificate of Service and shall file proof of service on the Electronic Document Information System (EDIS).

The Commission vote for this determination took place on July 13, 2023.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: July 13, 2023.

Lisa Barton,

Secretary to the Commission.

The proposed Second Amendment To Consent Decree is intended to modify the Consent Decree entered by the Court on February 20, 1998, as amended by the First Amendment To Consent Decree, entered by the Court on June 7, 2005. The Complaint in this matter was filed on November 20, 1997. Under the

Consent Decree, as amended in 2005, Settling Defendants are required to perform remedial work at the Sealand Superfund Restoration Site ("the Site") located in Lisbon, New York and to reimburse the Environmental Protection Agency's response costs pertaining to this Site in accordance with the requirements of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. 9601-9675. One of the Settling Defendants, SBC Holdings Inc. ("SBC"), now lacks the financial capability to continue these obligations. The proposed Second Amendment To Consent Decree includes an ability-to-pay-cash-out settlement with SBC in which it will pay \$150,000 and removes SBC as a Settling Defendant responsible for future work and costs at the Site. The remaining Settling Defendants have agreed to the proposed Second Amendment and will continue to be jointly and severally liable for all work and costs at the Site.
