**SUPPLEMENTARY INFORMATION:****A. Background**

Federal Acquisition Regulation Part 12, Acquisition of Commercial Items, was developed to implement Title VIII of the Federal Acquisition Streamlining Act of 1994 (FASA) (Pub. L. 103-355). The regulations became effective on October 1, 1995. Several areas have been identified that need updating and clarification. This rule addresses some of those changes.

The list of contract terms and conditions required to implement statutes or Executive orders in the clause at FAR 52.212-5 is amended to ensure that required statutes enacted subsequent to FASA that contain civil or criminal penalties or specifically cite their applicability to commercial items are included on the list, and to ensure that any post-FASA items that did not meet this criteria are deleted from the list. In addition, the pre-FASA clauses and alternates that were inadvertently left off the list are added. The date of each clause is added to the list to identify what revision of the listed clause applies when this clause is added to a contract.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

**B. Regulatory Flexibility Act**

The Councils do not expect this proposed rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule merely clarifies existing language and does not change existing policy. An Initial Regulatory Flexibility Analysis has, therefore, not been performed. We invite comments from small businesses and other interested parties. The Councils will consider comments from small entities concerning the affected FAR Part 52 in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, *et seq.* (FAR case 2000-009), in correspondence.

**C. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply because the proposed changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
