Abstract: This is a request for a new information collection for a third-party authorization form to be used by federal student loan borrowers to designate or revoke a designation of an individual or organization to represent the borrower in matters related to their federally held student loans. The Department has revised the initially proposed form. This revised form will continue to standardize the way that borrowers provide privacy act releases and authorization for a third party to take action on borrowers' federal student loan accounts held by various servicers. This will standardize processes and help borrowers and their third-party representatives when loans transfer between servicers. This information collection stems from the Privacy Act of 1974 and the common law legal principles of agency, which is not reflected in the Department's statute or regulations, but with which the Department must comply or which the Department supports.
