Services (HHS), is seeking nominations

Committee to the Director (ACD). ACD

**SUPPLEMENTARY INFORMATION:**  
Nominations are sought for individuals  
who have the expertise and  
qualifications necessary to contribute to

the accomplishment of the objectives of  
the Advisory Committee to the Director  
(ACD). Nominees will be selected based  
on expertise in the fields of public  
health, infectious disease, data science  
and Artificial Intelligence (AI), lab  
science, global health, and public health  
preparedness. Members may be invited  
to serve up to four-year terms. Selection  
of members is based on candidates’  
qualifications to contribute to the  
accomplishment of ACD objectives.

Department of Health and Human  
Services (HHS) policy stipulates that  
committee membership be balanced in  
terms of points of view represented and  
the committee’s function. Appointments  
shall be made without discrimination  
on the basis of age, race, ethnicity, sex,  
disability, and cultural, religious, or  
socioeconomic status. Nominees must  
be U.S. citizens and cannot be full-time  
employees of the U.S. Government.  
Current participation on Federal  
workgroups or prior experience serving  
on a Federal advisory committee does  
not disqualify a candidate; however,  
HHS policy is to avoid excessive  
individual service on advisory  
committees and multiple committee  
memberships. Committee members are  
Special Government Employees,  
requiring the filing of financial  
disclosure reports at the beginning and  
annually during their terms. The  
Centers for Disease Control and  
Prevention (CDC) reviews potential  
candidates for ACD membership each  
year and provides a slate of nominees  
for consideration to the Secretary of  
HHS for final selection. HHS notifies  
selected candidates of their  
appointment near the start of the term,  
or as soon as the HHS selection process  
is completed. Note that the need for  
different expertise varies from year to  
year and a candidate who is not selected  
in one year may be reconsidered in a  
subsequent year.

- Candidates should submit the  
following items:
- Current curriculum vitae, including  
complete contact information  
(telephone numbers, mailing address,  
email address).
  - At least one letter of  
recommendation from person(s) not  
employed by HHS. Candidates may  
submit letter(s) from current HHS

employees if they wish, but at least one  
letter must be submitted by a person not  
employed by an HHS agency (e.g., CDC,  
National Institutes of Health, Food and  
Drug Administration).

Nominations may be submitted by the  
candidate or by the person/organization  
recommending the candidate.
