- December 6, 2002.
- This constitutes notice, in accordance with 18 CFR 385.2201(h), of the receipt of exempt and prohibited off-the-record communications.
- Order No. 607 (64 FR 51222, September 22, 1999) requires Commission decisional employees, who make or receive an exempt or a prohibited off-the-record communication relevant to the merits of a contested on-the-record proceeding, to deliver a copy of the communication, if written, or a summary of the substance of any oral communication, to the Secretary.
- Prohibited communications will be included in a public, non-decisional file associated with, but not part of, the decisional record of the proceeding. Unless the Commission determines that the prohibited communication and any responses thereto should become part of the decisional record, the prohibited off-the-record communication will not be considered by the Commission in reaching its decision. Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record communication, and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such requests only when it determines that fairness so requires. Any person identified below as having made a prohibited off-the-record communication should serve the document on all parties listed on the official service list for the applicable

proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Exempt off-the-record communications will be included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.2201(e)(1)(v).

The following is a list of exempt and prohibited off-the-record communications recently received in the Office of the Secretary. These filings are available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link.

ENVIRONMENTAL PROTECTION AGENCY

FRL-7422-7]

Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) or Superfund, Section 104(k)(6); Announcement of Proposal Deadlines for the Competition for the 2003 National Brownfields Job Training Grants

AGENCY: Environmental Protection Agency.

ACTION: Notice of the availability of Brownfields grant application guidelines and deadlines for submissions of proposals.

SUMMARY: The Environmental Protection Agency (EPA) will begin to accept proposals for the National Brownfields Job Training Grants on December 17, 2002. Proposals are due on January 24, 2003. This notice provides information on how to obtain the application guidelines.

Funding for the brownfields job training grants is authorized under section 104(k)(6) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, (CERCLA), 42 U.S.C. 9604(k). These grants provide training to facilitate site assessment, remediation of brownfields sites, or site preparation. (See Catalogue of Federal Domestic Assistance Number: 66.811; a revised CFDA number entry has been submitted

for approval). Eligibility for Brownfields job training grants is limited to "eligible entities" as defined in section 104(k)(1) of CERCLA and non profit organizations.

The National brownfields job training grants will be awarded on a competitive basis using a one step proposal selection process. EPA expects to make up 10 Brownfields job training grant awards in fiscal year 2003, contingent upon the availability of funds. The maximum funding level for each grant will be \$ 200,000. Applicants are encouraged to contact and, if possible, meet with EPA Regional Brownfields Contacts.

DATES: This action is effective as of December 17, 2002. The application deadline for Proposals for the 2003 job training grants is January 24, 2003. All Proposals must be postmarked by USPS or delivered to U.S. EPA Headquarters no later than January 24, 2003, and a duplicate copy sent to the appropriate U.S. EPA Regional Office.

Obtaining Proposal Guidelines: The proposal guidelines are available via the Internet: <http://www.epa.gov/brownfields/>.

Copies of the Proposal Guidelines will also be mailed upon request. Requests should be made by calling the U.S. EPA Call Center at the following numbers: Washington, DC Metro Area at 703-412-9810
Outside Washington, DC Metro at 1-800-424-9346
TDD for the Hearing Impaired at 1-800-553-7672

In order to ensure that the Guidelines are received in time to be used in the preparation of the proposal, applicants should request a copy as soon as possible and in any event no later than seven (7) working days before the

proposal due date. Applicants who request copies after that date might not receive the proposal guidelines in time to prepare and submit a responsive proposal.

ADDRESSES: Mailing addresses for U.S. EPA Regional Offices and U.S. EPA Headquarters are provided in the Proposal Guidelines.

FOR FURTHER INFORMATION CONTACT: The U.S.EPA's Office of Solid Waste and Emergency Response, Office of Brownfields Cleanup and Redevelopment, (202) 566-2777.

This act amended the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (CERCLA) to authorize federal financial assistance for brownfields revitalization, including grants for assessment, cleanup, and job training. Funding for the brownfields job training grants is authorized under section 104(k)(6) of CERCLA, 42 U.S.C. 9604(k)(6). Eligibility for Brownfields job training grants is limited to "eligible entities" as defined in section 104(k)(1) of CERCLA and non profit organizations.
