

Based on previously-submitted information and new information obtained during the reconsideration investigation, the Department determines that the subject workers are workers separated from Hanesbrands, Inc., Galax, Virginia and not workers separated from Parkdale Mills, Galax, Virginia. A careful review of the new information revealed that a significant proportion or number of workers at Hanesbrands, Inc., Galax, Virginia was totally or partially separated, or threatened with such separation, prior to October 28, 2009.

During the reconsideration investigation, the Department confirmed that Hanesbrands, Inc., Galax, Virginia was an export-only facility that produced yarn exclusively for use in foreign countries and that Hanesbrands, Inc. did not shift to or acquire from a foreign country articles like or directly competitive with the yarn produced at the Galax, Virginia facility.

The reconsideration investigation also revealed that Hanesbrands, Inc. did not increase its imports of either articles like or directly competitive with the yarn produced at the Galax, Virginia facility or the apparel made from fabric woven from the yarn formerly produced at the Galax, Virginia facility.

Based on the information obtained during the initial and reconsideration investigations, the Department determines that the criteria set forth in Section 222(a) have not been met.

Since the yarn produced by the subject worker group was exported to be used in foreign facilities and worker groups located outside the United States and U.S. Territories cannot be eligible to apply for Trade Adjustment Assistance, the Department determines that the adversely affected secondary workers criteria set forth in Section 222(c) have not been met.

## Conclusion

After careful reconsideration, I affirm the original notice of negative determination of eligibility to apply for worker adjustment assistance for workers and former workers of Hanesbrands, Inc., Galax, Virginia.

Signed in Washington, DC, this 31st day of August, 2010.
