

citizens and organizations in the United States and those abroad, as well as by presenting U.S. society and culture in all of its diversity to overseas audiences.

The strategic objective of ECA is to assist in the development of friendly, sympathetic, and peaceful relations between the United States and other countries of the world by establishing and furthering common interests and values between Americans and people of different countries, cultures and faiths. To this end, ECA designs and implements programs that build personal and institutional relationships and that engage educational institutions and the private sector as partners on key public diplomacy initiatives.

ECA is building on and amplifying its international exchange programs by creating online communities that enhance mutual understanding. On October 1, 2008 ECA launched an interactive Web site and online social networking space (*connect.state.gov*) to build a worldwide community of people dedicated to creating international understanding and dialogue. Through this Online Video Contest, members of ECA's social networking Web site are invited to submit one video each that addresses the theme "My Culture + Your Culture = ? Connecting Through Difference: Share your Story". The Contest goal is to open active channels of communication, with the ECA Web site serving as the focal point for fostering a discussion of common values and interests. This overview of the Contest initiative is provided in order fully to inform the public and interested members of the philanthropic, corporate and NGO communities of ECA's strategic objectives and priorities.

The Contest will be open to the general public worldwide and will be launched and open for submissions in December 2008. Employees and contractors of the U.S. Government, and their immediate family members (spouse, parent, child, sibling and spouse or "step" of each) and those living in the same household, are not eligible to enter the Contest. The general public will be invited to submit videos of three minutes or less. Videos will be submitted and judged in two age group categories: (1) 14–17 years, and (2) 18 years and over (ages at time of submission). Videos may contain any form of artistic expression (e.g., song, dance, skit). Initially, the general public worldwide will be invited to vote for their favorite video contest submissions on ECA's social networking Web site (*connect.state.gov*). The 40 videos receiving the most public support will be sent to a blue ribbon panel of alumni from ECA's international exchange

programs to be ranked. Four grand prize winners will receive global recognition of their videos and be eligible to participate in an ECA-funded, approximately two-week international exchange program. Winners must have a valid passport by the time of travel; prizes are contingent on visa eligibility and issuance.

Contest Details and Rules will be available at *connect.state.gov* no later than the December 1, 2008 contest start date.

ECA welcomes the views of the philanthropic, corporate and NGO communities on this initiative and the potential for strategic partnership in achieving them.

International Narcotics and Law Enforcement Affairs Personnel Records System

SUMMARY: Notice is hereby given that the Department of State proposes to create a new system of records, the International Narcotics and Law Enforcement Affairs Personnel Records System, which is currently in operation, pursuant to the provision of the Privacy Act of 1974 as amended (5 U.S.C. 552a) and Office of Management and Budget Circular No. A-130, Appendix I. The Department's report was filed with the Office of Management and Budget on October 8, 2008.

It is proposed that the new system be named "International Narcotics and Law Enforcement Affairs Personnel Records System." The new system description will specify that International Narcotics and Law Enforcement Affairs Personnel Records System maintains records primarily on contracted personnel serving in criminal justice roles for the purposes of documenting individuals' experience and skills relevant to International Narcotic Law Enforcement Affairs' funded programs; ensuring foreign policy sensitivity and maintenance of the public trust, personnel safety and accountability; providing aggregate statistical data for program management purposes; providing information related to employment suitability for service in high-risk environments, including authority to carry weapons; and capturing and validating flight mission data.

The proposed routine uses provide for disclosure to private employers when necessary for contract administration and to Federal agencies and international organizations, upon their request, for the purpose of verifying information relating to employment eligibility. These proposed routine uses are compatible with the purpose of collecting information for the International Narcotics Law

Enforcement Affairs Personnel Records System, as they facilitate the selection of suitable individuals to serve as contract personnel in operations organized and funded by the Department of State, or as contract personnel for other federal agencies or international organizations operating in high-risk environments where the selection of suitable individuals is essential for maintaining public trust, personnel safety and accountability.

Any persons interested in commenting on the new International Narcotics and Law Enforcement Affairs Personnel Records system of records may do so by submitting comments in writing to Margaret P. Grafeld, Director, Office of Information Programs and Service, A/ISS/IPS, SA-2, 515 22nd Street NW., Department of State, Washington, DC 20522-8001. The new system of records for the International Narcotics and Law Enforcement Affairs Personnel Records System will remain effective, unless comments are received 40 days from the date of publication that result in a contrary determination.

This new system description will read as set forth below.

Dated: October 8, 2008.

Raj Chellaraj,

Assistant Secretary for the Bureau of Administration, Department of State.
