### Transportation Security Administration

[Docket No. TSA-2006-24191]

#### Revision of Agency Information Collection Activity Under OMB Review: Transportation Worker Identification Credential (TWIC®) Program

**AGENCY:** Transportation Security Administration, DHS.

**ACTION:** 30-Day notice.

**SUMMARY:** This notice announces that the Transportation Security Administration (TSA) has forwarded the Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652-0047, abstracted below to OMB for review and approval of a revision of the currently approved collection under the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. The collection involves the submission of biographic and biometric information that TSA uses to verify identity and conduct a security threat assessment (STA) for the TWIC® Program, and a customer satisfaction survey.

**DATES:** Send your comments by March 26, 2021. A comment to OMB is most effective if OMB receives it within 30 days of publication.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

**FOR FURTHER INFORMATION CONTACT:** Christina A. Walsh, TSA PRA Officer, Information Technology (IT), TSA-11, Transportation Security Administration, 6595 Springfield Center Drive, Springfield, VA 20598-6011; telephone

(571) 227-2062; email [TSAPRA@tsa.dhs.gov](mailto:TSAPRA@tsa.dhs.gov).

**SUPPLEMENTARY INFORMATION:** TSA published a **Federal Register** notice, with a 60-day comment period soliciting comments, of the following collection of information on July 2, 2020, 85 FR 39927.

#### Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <http://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

- (1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's estimate of the burden;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

#### Information Collection Requirement

**Title:** Transportation Worker Identification Credential (TWIC®) Program.

**Type of Request:** Revision of a currently approved collection.

**OMB Control Number:** 1652-0047.

**Forms(s):** TWIC® Disclosure and Certification Form, TWIC® Pre-Enrollment Application, TWIC® Enrollment Application, TWIC® Card Replacement Request, and TWIC® Customer Satisfaction Survey.

**Affected Public:** Individuals seeking or requiring unescorted access to secure areas within the TSA's national and transportation security mission or

facilities and vessels regulated under the Maritime Transportation Security Act of 2002 (Pub. L. 107-295; Nov. 25, 2002; sec. 102), other authorized individuals in the field of transportation, and all mariners holding U.S. Coast Guard-issued credentials or qualification documents.

**Abstract:** The data collected will be used for processing TWIC® enrollments as well as to allow expanded enrollment options for additional comparability or eligibility determinations for other programs, such as the Hazardous Materials Endorsement Threat Assessment Program. Individuals in the field of transportation who are authorized to apply for a TWIC® for use as part of other government programs, such as the Chemical Facility Anti-Terrorism program, may apply for a TWIC® and undergo the associated STA. The data is used to conduct a comprehensive STA that includes: (1) A criminal history records check; (2) a check of intelligence databases; and (3) an immigration status check. TSA may also use the information to determine a TWIC® holder's eligibility to participate in TSA's expedited screening program for air travel, the TSA PreCheck® Application Program. Active (unexpired) TWIC® holders who meet the eligibility requirements for TSA PreCheck may use their TWIC® card's Credential Identification Number in the appropriate known traveler number field of an airline reservation to obtain expedited screening eligibility.

At the enrollment center, applicants verify their biographic information and provide identity documentation, biometric information, and proof of immigration status (if required). This information allows TSA to complete the STA. During enrollment, TSA collects from applicants a \$125.25 fee for standard enrollment. If TSA determines that the applicant is eligible to receive a TWIC® as a result of the STA, TSA issues and sends an activated TWIC® card to the address provided by the applicant or notifies the applicant that their TWIC® is ready for pick up and activation at an enrollment center. Once activated, this credential can be used for facility and vessel access control requirements to include card

authentication, card validation, and identity verification. In the event of a lost, damaged or stolen credential, the cardholder must notify TSA immediately and may request a replacement card online, via telephone, or from an enrollment center for a \$60.00 fee.

Under section 809 of the United States Coast Guard Authorization Act of 2010 Sec. 809, certain Merchant Mariners are not required to obtain a credential when they apply for their TWIC® STA. TSA is revising the currently approved collection to reflect a reduction for Section 809 qualified Merchant Mariners. If a mariner opts to not receive a TWIC® card, TSA may reduce the TWIC® fee to reflect only the enrollment and vetting segments of the fee, a fee reduction of \$27.

TSA is also revising the collection to reflect the implementation of an online renewal or re-enrollment capability for those applicants who previously maintained an active TWIC® STA. Approximately 60 percent of active TWIC® cardholders enroll for a new TWIC® after their STA expires five years from the date of issuance. Online TWIC® renewals will reduce the applicant cost and hour burden by permitting eligible applicants to obtain a new TWIC® without enrolling in-person at a TSA enrollment center. Additionally, TSA mitigates certain security risks associated with online renewals by enrolling current TWIC® cardholders in recurrent vetting services, such as the Federal Bureau of Investigation's Rap Back Service. The renewal fee for TWIC® will decrease with the implementation of online renewals.

TSA invites all TWIC® applicants to complete an optional survey to gather information on the applicants' overall customer satisfaction with the enrollment process. This optional survey is administered at the conclusion of the enrollment process, including the new online renewals, and the process to activate the TWIC®, where applicable. The results from these surveys are compiled to produce reports that are reviewed by the enrollment services provider and TSA.

*Number of Annual Respondents:*  
744,345.<sup>1</sup>

<sup>1</sup> The burdens listed here are different from what was listed in the 60-Day Notice. TSA modified the estimates to include online renewals and a fee reduction for renewals. TSA also modified the collection to reflect a reduction for Section 809 Merchant Mariners who do not request a credential and therefore save \$27 in credential fees.

*Estimated Annual Burden Hours:* An estimated 413,162 hours annually.

*Estimated Annual Cost:* \$64,842,153.

Dated: February 18, 2021.

**SUPPLEMENTARY INFORMATION:** This notice informs the public that HUD is seeking approval from OMB for the

information collection described in Section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on November 17, 2020 at 85 FR 73291.

### A. Overview of Information Collection

*Title of Information Collection:*  
EnVision Centers Implementation Evaluation.

*OMB Approval Number:* 2528-New.

*Type of Request:* New collection.

*Form Number:* NA.

*Description of the need for the information and proposed use:* This request is for the collection of information for an implementation evaluation of EnVision Centers. EnVision Centers offer collocated and integrated services with the goal of helping low-income persons achieve self-sufficiency. Using leveraged resources from local and federal partnerships, HUD encourages EnVision Centers to target and integrate services within four main pillars: Economic empowerment, educational advancement, health and wellness, and character and leadership. In June 2018, HUD designated 18 EnVision Centers as part of the initiative's first cohort of designations and has since expanded the initiative with over 90 EnVision Centers to date. This creates a critical need to gain an in-depth understanding from local stakeholders of implementation efforts to date, which will help develop and guide the initiative while establishing a framework of knowledge for future program monitoring and evaluation efforts. The evaluation team will collect data from sites using qualitative, semi-structured interviews with four groups of key local stakeholders: Site leadership, front line staff, participants, and representatives from organizations (partners) that provide services and resources to the EnVision Center. The interviews will primarily seek to understand how communities selected and established their center, the process for centralized intake and participant level data collection, and how new partnerships and services have developed since the center's designation. Through an Inter-Agency Agreement (IAA), the Library of Congress' Federal Research Division will conduct the evaluation under guidance from HUD.
