NOSAC will discuss data on foreign vessels arriving on the U.S. Outer Continental Shelf from abroad as well as other items that it may consider. This notice supplements that original teleconference meeting notice.

ADDRESSES: The Committee will meet, via telephone conference, on February

26, 2009. Members of the public interested in participating in the teleconference may contact Commander P.W. Clark at 202–372–1410 for call in information or they may participate in person by coming to Room 1303, U.S. Coast Guard Headquarters Building, 2100 Second Street, SW., Washington, DC 20593. SUPPLEMENTARY INFORMATION: Notice of this teleconference meeting is given under the Federal Advisory Committee Act, 5 U.S.C. App. 2. The teleconference meeting agenda was published as part of the original notice on February 13, 2009, which can be found in the **Federal Register** at 72 FR 7243. The Federal Advisory Committee Act requires **Federal Register** publication 15 days prior to a meeting held in accordance with the Act. The original NOSAC teleconference meeting announcement was published in the **Federal Register** 13 days prior to the meeting due to delays in the renewal of the NOSAC Charter. Further, due to scheduling conflicts, we were unable to delay this teleconference to a date past February 26, 2009.

The Coast Guard has made all known interested parties aware of the teleconference meeting with sufficient time for planning purposes.
